Item 1. Business

General

ShowBiz Pizza Time, Inc. (the "Company"), was incorporated in the State of Kansas in 1980 and is engaged in the family restaurant/entertainment center business. The Company considers this to be its sole industry segment.

The Company operated, as of March 15, 1996, 226 Chuck E. Cheese's Pizza - ("Chuck E. Cheese's") restaurants (including four restaurants managed by the Company for others). In addition, as of March 15, 1996, franchisees of the Company operated 93 Chuck E. Cheese's restaurants.

Chuck E. Cheese's Restaurants

Business Development

Chuck E. Cheese's restaurants offer a variety of pizza, a salad bar, and selected sandwiches and desserts and feature musical and comic entertainment by life-size, computer-controlled robotic characters, family oriented games, rides and arcade-style activities. The restaurants are intended to appeal to families with children between the ages of 2 and 12. The Company opened its first restaurant in March 1980.

The Company and its franchisees operate in a total of 44 states and the Company has concentrated its ownership and operation of Chuck E. Cheese's restaurants within a 27-state area. See "Item 2. Properties."

The following table sets forth certain information with respect to the Chuck E. Cheese's restaurants owned by the Company (excludes restaurants managed by the Company for others and franchised restaurants):

	1995 -----	1994 ----	1993 -----
Average annual revenues per restaurant (1)	\$1,178,000	\$1,206,000	\$1,259,000
Number of restaurants open at end of period	222	220	209
Percent of total restaurant revenues:			
Food and beverage sales	70.2%	71.0%	71.6%
Game sales	26.6%	25.8%	25.3%
Merchandise sales	3.2%	3.2%	3.1%

(1) In computing these averages, only restaurants which were open for a period greater than one year at the beginning of each respective year were included (190, 159 and 139 restaurants in 1995, 1994 and 1993, respectively).

The revenues from Chuck E. Cheese's restaurants are seasonal in nature. The restaurants tend to generate more revenues during the first and third fiscal quarters as compared to the second and fourth fiscal quarters.

Each Chuck E. Cheese's restaurant generally employs a general manager, one or two managers, an electronic specialist who is responsible for repair and maintenance of the robotic characters and games, and 45 to 75 food preparation and service employees, most of whom work only part-time.

To maintain a unique and exciting environment in the restaurants, the Company believes it is essential to reinvest capital through the evolution of its games, rides and entertainment packages and continuing enhancement of the facilities. The Company initiated a remodel program in 1986 under which all Company-operated restaurants were remodeled by the end of 1992. In 1994, the Company initiated a "repositioning" program to evolve and expand its efforts to significantly enhance its Chuck E. Cheese's restaurants. The Company completed 21 restaurants under this program in 1994 and 76 restaurants in 1995 which is approximately 43% of all Company-operated restaurants. The Company currently intends to reposition substantially all Company-operated restaurants by the end of 1996.

The Company opened 1 and 12 new Chuck E. Cheese's restaurants in 1995 and 1994, respectively. The Company is currently evaluating the development of new Chuck E. Cheese's restaurants while balancing the commitment of capital and human resources between existing restaurants and new development.

In the event certain site characteristics considered essential for the success of a restaurant deteriorate, the Company will consider relocating the restaurant to a more desirable site.

The Company believes its ownership of trademarks to the names and character likenesses featured in the robotic animation stage show (and other in-store entertainment) in its restaurants to be an important competitive advantage.

Restaurant Design and Entertainment

Chuck E. Cheese's restaurants are typically located in shopping centers or in free-standing buildings and are generally 7,500 to 14,000 square feet in area. Depending primarily on the demographic characteristics of a specific site, the building design of new restaurants developed by the Company range from 8,000 to 10,000 square feet in area.

The dining area of each Chuck E. Cheese's restaurant features a variety of comic and musical entertainment by computer-controlled robotic characters, together with various animated props, located on various stage type settings. The Company is currently developing a new stage setting that will be evaluated in 1996. The dining area typically provides table and chair seating for 250 to 375 customers.

Each Chuck E. Cheese's restaurant typically contains a separate family oriented playroom area offering approximately 40 coin- and token-operated attractions, including arcade-style games, kiddie rides, video games, skill oriented games and other similar entertainment. Certain games dispense tickets that can be redeemed by the guests for prizes. Also included in the playroom area is an expanded free ball-crawl with tubes and tunnels suspended from or reaching to the ceiling or other free attraction for young children. The playroom area normally occupies approximately 40% of the restaurant's public area and contributes significantly to its revenues. A limited number of free tokens are furnished with food orders. Additional tokens may be purchased.

Food and Beverage Products

Each Chuck E. Cheese's restaurant offers varieties of pizza, a salad bar and selected sandwiches and desserts. Standard beverages are also served, along with beer and wine where permitted by local laws. The Company believes that the quality of its food compares favorably with that of its competitors.

The majority of food, beverages and other supplies used in the Company-operated restaurants is currently distributed under a system-wide agreement with a major food distributor. The Company believes that this distribution system creates certain cost and operational efficiencies for the Company.

PAGE 3

Marketing

The primary customer base for the Company's restaurants consists of families having children between 2 and 12 years old. The Company runs advertising campaigns which target families with young children and features the family entertainment experiences available at Chuck E. Cheese's restaurants, and is primarily aimed at increasing the frequency of return visits. The primary advertising medium continues to be television, due to its broad access to family audiences and its ability to communicate the Chuck E. Cheese's experience. The television advertising campaigns are supplemented by promotional offers in newspapers and direct mail advertisements.

Franchising

The Company began franchising its restaurants in October 1981 and the first franchised restaurant opened in June 1982. At March 15, 1996, 93 Chuck E. Cheese's restaurants were operated by a total of 58 different franchisees, as compared to 101 of such restaurants at March 17, 1995. The Company sold two franchises in 1995.

The Company opened a franchise restaurant in Chile during the third quarter of 1994. Opportunities for further international franchise development are being reviewed by the Company.

The Chuck E. Cheese's standard franchise agreements grant to the franchisee the right to develop and operate a restaurant and use the associated trademarks within the standards and guidelines established by the Company. The franchise agreement presently offered by the Company has an initial term of 15 years and includes a 15-year renewal option. The earliest expiration dates of outstanding Chuck E. Cheese's franchises are in 1997.

The franchise agreements governing existing franchised Chuck E. Cheese's restaurants currently require each franchisee to pay: (i) to the Company, in addition to an initial franchise fee of \$50,000, a continuing monthly royalty fee equal to 3.8% of gross sales; (ii) to the Advertising Fund [an independent fund established and managed by an association of the Company and its franchisees to pay costs of system-wide advertising (the "Association")] an amount equal to 0.9% of gross sales; and (iii) to the Entertainment Fund (an independent fund established and managed by such Association to further develop and improve entertainment attractions) an amount equal to 0.4% of gross sales. The Chuck E. Cheese's franchise agreements also require franchisees to expend at least 3% of gross sales for local advertising. Under the Chuck E. Cheese's franchise agreements, the Company is required, with respect to Company-operated restaurants, to spend for local advertising and to contribute to the Advertising Fund and the Entertainment Fund at the same rates as franchisees.

Competition

The restaurant and entertainment industries are highly competitive, with a number of major national and regional chains being engaged in the pizza restaurant or entertainment business. Although there are few other restaurant chains presently utilizing the concept of combining robotic characters and restaurant operations, there are several competitors presently combining family entertainment and restaurant operations.

The Company believes that it will continue to encounter competition in the future. Major national and regional chains,

some of which have capital resources as great or greater than the Company, are expanding into the family restaurant and entertainment markets. The Company believes that the principal competitive factors affecting Chuck E. Cheese's restaurants are the relative quality of food and service, quality and variety of offered entertainment, and location and attractiveness of the restaurants as compared to its competitors in the restaurant or entertainment industries.

PAGE 4

Monterey's Tex-Mex Cafe Restaurants

The Company, through its wholly owned subsidiary BHC Acquisition Corporation ("BAC"), operated 27 Monterey's Tex-Mex Cafe restaurants. Effective May 5, 1994, the Company sold its Monterey's Tex-Mex Cafe restaurants for an aggregate purchase price consisting of approximately \$6.7 million in cash, \$4.7 million in subordinated promissory notes and the retention of a 12 1/2% equity interest in the acquiring company.

Trademarks

The Company owns various trademarks, including "Chuck E. Cheese" and "ShowBiz Pizza" that are used in connection with the restaurants and have been registered with the United States Patent and Trademark Office. The duration of such trademarks is unlimited, subject to continued use. The Company believes that it holds the necessary rights for protection of the marks essential to the conduct of their present restaurant operations.

Government Regulation

The development and operation of Chuck E. Cheese's restaurants are subject to various federal, state and local laws and regulations, including but not limited to those that impose restrictions, levy a fee or tax, or require a permit or license on the service of alcoholic beverages and the operation of games and rides. The Company is subject to the Fair Labor Standards Act, the Americans With Disabilities Act, and family leave mandates. A significant portion of the Company's restaurant personnel are paid at rates related to the minimum wage established by federal and state law. Increases in such minimum wage result in higher labor costs to the Company, which may be partially offset by price increases and operational efficiencies.

Working Capital Practices

The Company attempts to maintain only sufficient inventory of supplies in the restaurants which it operates to satisfy current operational needs. The Company's accounts receivable consist primarily of credit card receivables, franchise royalties, management fees and advances to managed properties.

Employees

The number of persons employed by the Company varies seasonally, with the greatest number being employed during the summer months. On March 15, 1996, the Company had approximately 11,290 employees, including 11,100 in the operation of Chuck E. Cheese's restaurants and 190 employed by the Company in the Company's executive offices. None of the Company's employees is a member of any union or collective bargaining group. The Company considers its employee relations to be good.

Of the 226 Chuck E. Cheese's restaurants operated by the Company as of March 15, 1996, 212 were leased by the Company and 14 were owned by the Company. The leases of these restaurants will expire at various times from 1996 to 2009, as described in the table below.

The leases of Chuck E. Cheese's restaurants contain terms which vary from lease to lease, although a typical lease provides for a primary term of 10 years, with two additional five-year options to renew, and provides for annual minimum rent payments of approximately \$6.00 to \$22.00 per square foot, subject to periodic adjustment. Most of the restaurant leases require the Company to pay the cost of repairs, insurance and real estate taxes and, in most instances, provide for additional rent equal to the amount by which a percentage (typically 6%) of gross revenues exceeds the minimum rent.

Item 3. Legal Proceedings.

In June 1993, the Company was named as a nominal defendant in a shareholders' derivative action in the 68th Judicial District Court in Dallas County, Texas in which three of the Company's executive officers, four of the Company's outside directors and The Hallwood

Group Incorporated ("Hallwood") were named defendants. The plaintiffs in this lawsuit had alleged the individual defendants (i) breached their fiduciary duties to stockholders, (ii) committed constructive fraud and (iii) unjustly enriched themselves as a result of alleged violations of federal securities laws and illegal insider trading between July 13, 1992 and June 11, 1993. Although the Company believes that the claims made were without merit, the Company has settled the lawsuit. On November 27, 1995, the Court issued an order for final judgement that approved the settlement of the suit and dismissed it with prejudice.

In January 1994, the Company was named a defendant in a lawsuit brought in the Supreme Court of the state of New York, County of Queens, by Big Six Towers, Inc., in its purported capacity as a landlord to the Company with regard to a restaurant/entertainment center location in Queens County, New York, which the Company had contracted to lease from the plaintiff. The plaintiff alleged that the Company had breached the lease and was seeking total damages in excess of \$4.0 million against the Company. Although the Company believes the claims made against it were without merit, the Company has settled the lawsuit. On December 29, 1995, the parties filed a stipulation of dismissal that accepted the settlement of the suit and dismissed it with prejudice.

Certain other pending legal proceedings exist against the Company which the Company believes are not material in amount or have arisen in the ordinary course of its business.

Item 4. Submission of Matters to a Vote of Security Holders.

No matters were submitted to a vote of security holders during the fourth quarter of 1995.

Item 7. Management's Discussion and Analysis of Financial Condition and Results Of Operations.

Results of Operations

1995 Compared to 1994

- - - - -

Revenues declined 1.8% to \$263.8 million in 1995 from \$268.5 million in 1994 due to the sale of the Company's Monterey's Tex-Mex Cafe restaurants effective May 5, 1994. Revenue generated by the Company's Chuck E. Cheese's restaurants increased to \$263.3 million in 1995 from \$262.0 million in 1994 due to the net additions of 11 Company restaurants in 1994 and two Company restaurants in 1995. Sales from the Company's Chuck E. Cheese's restaurants which were open during all of 1995 and 1994 ("comparable store sales") declined 1.4% between the years. Revenues from the Company's Monterey's Tex-Mex Cafe restaurants were \$6.5 million in 1994.

Income before income taxes decreased to \$375,000 in 1995 from \$3.1 million in 1994. Included in income before taxes in 1994 is a gain of \$5.5 million related to the sale of the Company's Monterey's Tex-Mex Cafe restaurants and a \$2.3 million loss associated with the impairment in fair value of certain Chuck E. Cheese's restaurants. Income before income taxes in 1994 was also reduced by approximately \$900,000 due to a write-off of all unamortized preopening expenses resulting from a change in the estimated future benefit of such expenses. A material portion of operating costs are fixed resulting in an erosion of operating margins at lower sales levels. Net income declined to \$63,000 in 1995 from \$676,000 in 1994.

A summary of the results of operations of the Company as a percentage of revenues for the last three fiscal years is shown below.

Revenues

Revenues decreased to \$263.8 million in 1995 from \$268.5 million in 1994 due to the sale of the Company's Monterey's Tex-Mex Cafe restaurants effective May 4, 1994. Comparable store sales of Chuck E. Cheese's restaurants which were open during all of both 1995 and 1994 declined by 1.4% between the years. Average annual sales per restaurant decreased to approximately \$1,178,000 in 1995. Menu prices were comparable between the two years. The increasing number of completed repositioned restaurants resulted in a 2.3% increase in comparable store sales in the fourth quarter of 1995 compared to the same period of the prior year. This is the first quarter since 1992 that comparable store sales has increased from the prior year.

Revenues from franchise fees and royalties decreased by 15.1% in 1995 compared to 1994 primarily due to a 6.2% decline in comparable franchise store sales for restaurants open all of 1995 and 1994, and a decline in the number of restaurants operated each year. During 1995, one new franchise restaurant opened and 14 franchise restaurants closed.

PAGE 10

Costs and Expenses

Costs and expenses as a percentage of revenues increased to 99.9% in 1995 from 98.8% in 1994.

Cost of sales increased as a percentage of revenues to 51.8% in 1995 from 51.3% in 1994. Cost of food, beverage, prize and merchandise items for Chuck E. Cheese's restaurants as a percentage of restaurant sales decreased to 17.9% in 1995 from 18.2% in 1994 primarily due to an increase in game sales as a percentage of total restaurant sales. Labor expenses for Chuck E. Cheese's restaurants as a percentage of restaurant sales increased to 30.9% in 1995 from 30.0% in 1994 primarily due to increased labor rates, reduced management turnover and the decline in comparable store sales.

Selling, general and administrative expenses as a percentage of revenues decreased to 17.0% in 1995 from 17.6% in 1994 due primarily to a reduction in corporate overhead expenses.

Depreciation and amortization expense as a percentage of revenues decreased to 8.8% in 1995 from 9.7% in 1994. Preopening expense

declined due to the write-off of all unamortized preopening expense in the fourth quarter of 1994 resulting from a change in the estimated useful future benefit of such expenses. Depreciation expense declined due to the sale of Monterey's Tex-Mex Cafe restaurants in May 1994 and a change effected in the first quarter of 1995 in the estimated useful lives of certain fixed assets based on a review of historical asset utilization. As a result of this change, depreciation expense decreased approximately \$2.3 million in 1995.

Interest expense increased to \$3.1 million in 1995 from \$1.9 million in 1994 primarily due to an increase in interest rates and the Company's average outstanding debt between the periods.

The Company had a net loss on property transactions of \$136,000 in 1995 compared to a net gain on property transactions of \$2.6 million in 1994. In 1994, the Company recognized a gain of \$5.5 million from the sale of substantially all of the assets of its Monterey's Tex-Mex Cafe restaurants on May 5, 1994. The gain was partially offset by a loss of approximately \$2.3 million in 1994. The loss was a result of the Company's decision to close one Chuck E. Cheese's restaurant and the impairment in fair value of the fixed assets of ten Chuck E. Cheese's restaurants due to the Company's decision not to renew the leases as a result of the deterioration of site characteristics. The Company will consider possible relocation of some of the restaurants.

Other operating expenses increased as a percentage of revenues to 21.0% in 1995 from 20.5% in 1994 primarily due to increased rent expense and the decline in comparable store sales.

Net Income

In 1994, the Company established an allowance of approximately \$1.1 million related to deferred tax credit carryforwards which are estimated to expire in 1997. Income tax expense was increased by approximately \$1.1 million as a result of this allowance. The Company's net income decreased to \$63,000 in 1995 from \$676,000 in 1994 due to the changes in revenues and expenses as discussed above. The Company's primary and fully diluted earnings per share decreased to a loss per share of \$.02 in 1995 from earnings per share of \$.03 in 1994.

1994 Compared to 1993

- - - - -

Revenues declined 1.4% to \$268.5 million in 1994 from \$272.3 million in 1993 due to the sale of the Company's Monterey's Tex-Mex Cafe restaurants effective May 5, 1994. Revenue generated by the Company's Chuck E. Cheese's restaurants increased to \$262.0 million in 1994 from \$253.3 million in 1993 due to the net addition of 11 Company restaurants in 1994 and 33 Company restaurants in 1993. Sales from the Company's Chuck E. Cheese's restaurants which were open during all of 1994 and 1993 ("comparable store sales") declined 5.8% between the years. Revenues from the Company's Monterey's Tex-Mex Cafe restaurants declined to \$6.5 million in 1994 from \$19.0 million in 1993 due to the sale of the Monterey's restaurants mentioned above.

PAGE 11

Income before income taxes decreased to \$3.1 million in 1994 from \$18.2 million in 1993. Included in income before income taxes for 1994 is a gain of \$5.5 million related to the sale of the Company's Monterey's Tex-Mex Cafe restaurants and a \$2.3 million loss associated with the impairment in fair value of certain Chuck E. Cheese's restaurants. Income before income taxes in 1994 was also reduced by approximately \$900,000 due to a write-off of all unamortized preopening expenses resulting from a change in the estimated future benefit of such expenses. The decline in income is primarily due to the decline in comparable store sales and operating margins in the Company's Chuck E. Cheese's restaurants.

A material portion of operating costs are fixed resulting in an erosion of operating margins at lower sales levels.

Revenues

Revenues from the Company's Chuck E. Cheese's restaurants increased by 3.4% to \$262.0 million in 1994 from \$253.3 million in 1993 due to sales from new restaurants opened throughout 1994 and 1993. Comparable store sales of Chuck E. Cheese's restaurants which were open during all of both 1994 and 1993 declined by 5.8% between the years. Average annual sales per restaurant decreased to approximately \$1,206,000 in 1994. Menu prices were comparable between the two years.

Management believes that several factors may have contributed to the comparable store sales decline, including increased competition and to a lesser extent, a decrease in the number of restaurants remodeled since 1992 and the impact of newly opened restaurants on comparable store sales of existing restaurants in certain markets. Some of the factors impacting comparable store sales are believed to be negatively impacting sales volumes of newer restaurants opened since 1990. During 1994, the average sales volume of the 70 new Chuck E. Cheese's restaurants opened in 1991 through 1993 was 3.0% lower than the average sales volume of existing restaurants during the same period.

Revenues from franchise fees and royalties decreased by 5.6% in 1994 compared to 1993 primarily due to a 6.4% decline in comparable franchise store sales for restaurants open all of 1994 and 1993, and a decline in the number of restaurants operated each year. During 1994, two new franchise restaurants opened and six franchise restaurants closed.

Revenues from Monterey's Tex-Mex Cafe restaurants declined to \$6.5 million in 1994 compared to \$19.0 million in 1993 due to the sale of the Company's Monterey's Tex-Mex Cafe restaurants effective May 5, 1994.

Costs and Expenses

Costs and expenses as a percentage of revenues increased to 98.8% in 1994 from 93.3% in 1993.

Cost of sales increased as a percentage of revenues to 51.3% in 1994 from 50.4% in 1993. Cost of food, beverage, prize and merchandise items for Chuck E. Cheese's restaurants as a percentage of restaurant sales increased to 18.2% in 1994 from 18.0% in 1993 primarily due to increases in cheese costs and in costs relating to the enhancement of certain prize and merchandise items. Labor expenses for Chuck E. Cheese's restaurants as a percentage of restaurant sales increased to 30.0% in 1994 from 29.0% in 1993 primarily due to the decline in comparable store sales and enhancements in services provided to guests, including child security.

Selling, general and administrative expenses as a percentage of revenues increased to 17.6% in 1994 from 15.5% in 1993 due primarily to increased advertising expense as a percentage of revenues. Corporate overhead costs were impacted by an increase of approximately \$1.2 million primarily during the first three quarters of 1994 as a result of increasing the number of operational regional and district managers. Overhead costs were also impacted in 1994 by an allowance for potential legal settlements.

Depreciation and amortization expense as a percentage of revenues increased to 9.7% in 1994 from 8.5% in 1993 primarily due to a write-off of all unamortized preopening expenses of approximately \$900,000 resulting from a change in the estimated future benefit of such expenses, the higher depreciation and amortization expense of new restaurants relative to older restaurants and the decline in

comparable store sales.

PAGE 12

Interest expense increased to \$1.9 million in 1994 from \$797,000 in 1993 due primarily to an increase in long-term debt of \$18.5 million since the third quarter of 1993 primarily to fund the Company's repurchase of its common stock and an increase in interest rates.

The Company had a net gain on property transactions of \$2.6 million in 1994 compared to a loss on property transactions of \$675,000 in 1993. The Company recognized a gain of \$5.5 million from the sale of its Monterey's Tex-Mex Cafe restaurants effective May 5, 1994. The gain was partially offset by a loss of approximately \$2.3 million in 1994. The loss was a result of the Company's decision to close one Chuck E. Cheese's restaurant and the impairment in fair value of the fixed assets of ten Chuck E. Cheese's restaurants due to the Company's decision not to renew the leases as a result of the deterioration of site characteristics or the inability to renew the leases at acceptable rental terms. The Company will consider possible relocation of some of the restaurants. The Company provided for an additional loss on property transactions of approximately \$597,000 in 1994 compared to \$675,000 in 1993 due to the replacement of certain assets in conjunction with the enhancement of facilities and entertainment packages of restaurants.

Other operating expenses increased as a percentage of revenues to 20.5% in 1994 from 18.4% in 1993 primarily due to increased rent, utility and property tax expenses as a percentage of revenues and the decline in comparable store sales.

Net Income -----

In 1994, the Company established an allowance of approximately \$1.1 million related to deferred tax credit carryforwards which are estimated to expire in 1997. Income tax expense was increased by approximately \$1.1 million as a result of this allowance. In 1993, income tax expense was reduced approximately \$971,000 primarily due to a non-recurring tax gain resulting from the increased valuation of the Company's deferred tax asset due to an increase in federal corporate income tax rates enacted in 1993. The Company's net income decreased to \$676,000 in 1994 from \$11.9 million in 1993 due to the changes in revenues and expenses as discussed above. The Company's primary and fully diluted earnings per share decreased to \$.03 per share in 1994 from \$.86 per share in 1993.

Inflation

The Company's costs of operations, including but not limited to, labor, supplies, utilities, financing and rental costs, are significantly affected by inflationary factors. The Company pays most of its part-time employees rates that are related to federal and state mandated minimum wage requirements. Increases in any such costs would result in higher costs to the Company, which the Company expects would be partially offset by menu price increases and increased efficiencies in operations.

Financial Condition, Liquidity and Capital Resources

Cash provided by operations declined to \$27.8 million in 1995 from \$30.8 million in 1994. Cash outflow from investing activities for 1995 was \$30.5 million. Cash inflow from financing activities in 1995 was \$5.9 million. The Company's primary requirements for cash relate to planned capital expenditures and debt service. The Company expects that it will satisfy such requirements from cash provided by operations and funds available under its line of credit or additional borrowings.

In 1995, the Company refinanced its previous credit facility of \$30.8 million expiring in January 1996 with an increased facility of \$38 million. The new credit facility consists of certain term notes totalling \$18 million with annual interest of 10.02% maturing in 2001, term notes totalling \$10 million with annual interest equal to the London Interbank Offered Rate ("LIBOR") plus 3.5% maturing in 2000, term loans of \$5.0 million with annual interest equal to LIBOR plus 3.5% maturing in 1997 and a \$5 million line of credit due June 1997 with interest provided at prime plus 1/2%, or at the Company's option, LIBOR plus 3%. The Company is required to comply with certain financial ratio tests during the terms of the loan agreements.

PAGE 13

The Company believes that the success of its facility and enhancement program in addition to new restaurant development will continue to be significant factors in its ability to generate increased revenues over the foreseeable future. The Company continues to evolve and expand its efforts to significantly enhance its Chuck E. Cheese's locations. This "repositioning" program is being carried out on a market by market basis and involves: an improved exterior identity, a facility upgrade, an expanded free ball-crawl with tubes and tunnels suspended from or reaching to the ceiling, and an enhancement of the variety and number of games and rides offered to its guests. The Company completed 21 restaurants under this program in 1994 and 76 restaurants in 1995 which is approximately 43% of all Company operated restaurants. The Company currently plans to reposition substantially all Company-operated restaurants by the end of 1996. The Company anticipates that the repositioning of the remaining restaurants will cost on the average approximately \$300,000 per restaurant. However, this amount can vary significantly at a particular restaurant depending on several factors, including the restaurant's square footage, date of the most recent remodel and the existing assets at the restaurant. In the event certain site characteristics considered essential to the success of a restaurant deteriorate, the Company will consider closing the restaurant or relocating the restaurant to a more desirable site.

The Company is implementing several strategies designed to strengthen the sales vitality of its existing restaurant base in what management believes is a competitive market. The Company is refining its marketing plan; the Company has accelerated its commitment of capital to existing stores; and the Company is limiting its new restaurant development to ensure that the sales vitality of the Company's existing restaurant base and new restaurant growth are both given appropriate priority. As a result of these strategies, comparable store sales increased 2.3% in the fourth quarter of 1995. The Company continues to experience increases in comparable store sales in 1996.

The Company believes it will realize substantial benefit from utilization of approximately \$67 million in net operating loss carryforwards to reduce its future federal income tax liability. Such net operating loss carryforwards expire from years 1999 through 2001. Although the use of such carryforwards could, under certain circumstances, be limited, the Company is presently unaware of the occurrence of any event which would result in the imposition of such limitation. The Company has adopted an amendment to its Restated Articles of Incorporation which is intended to prevent changes in ownership of its common stock that would cause such limitation. In addition, the Company has investment tax credit, job tax credit and alternative minimum tax credit carryforwards of approximately \$7 million. The investment tax credit and the job tax credit carryforwards expire in years 1997 through 2010. Tax credit carryforwards can be utilized by the Company only after all net operating loss carryforwards have been realized. If the Company's results of operations do not improve, a portion of the net operating loss and tax credit carryforwards could expire prior to utilization, resulting in a charge against income. Taxable income for the five years ending December 30, 1994 was \$53 million. Based on current results of the repositioned restaurants and the

Company's current plans to reposition substantially all of its Company-owned restaurants by the end of 1996, the Company currently projects future taxable income levels sufficient to realize its net operating loss and tax credit carryforwards prior to their expiration after considering an allowance of \$1.1 million for the estimated expiration of tax credit carryforwards in 1997.

SHOWBIZ PIZZA TIME, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 29, 1995,
DECEMBER 30, 1994 AND DECEMBER 31, 1993

1. Summary of significant accounting policies:

Operations:

ShowBiz Pizza Time, Inc. (the "Company") operates and franchises family restaurant entertainment centers as Chuck E. Cheese's restaurants, and through BHC Acquisition Corporation ("BAC"), its wholly owned subsidiary, also operated Monterey's Tex-Mex Cafe restaurants. The Monterey's Tex-Mex Cafe restaurants were sold effective May 5, 1994.

Fiscal year:

The Company's fiscal year is 52 or 53 weeks and ends on the Friday nearest December 31. References to 1995, 1994 and 1993 are for the fiscal years ended December 29, 1995, December 30, 1994 and December 31, 1993, respectively. Fiscal years 1995, 1994 and 1993 were each 52 weeks in length.

Basis of consolidation:

The consolidated financial statements include the accounts of the Company and BAC. All significant intercompany accounts and transactions have been eliminated.

Cash and cash equivalents:

Cash and cash equivalents of the Company are composed of demand deposits with banks and short-term cash investments with remaining maturities of three months or less from the date of purchase by the Company.

Inventories:

Inventories of food, paper products and supplies are stated at the lower of cost or market on a first-in, first-out basis.

Property and equipment, depreciation and amortization:

Property and equipment are stated at cost. Depreciation and amortization are provided by charges to operations over the estimated useful lives of the assets, or the lease term if less, by the straight-line method. During the first quarter of 1995, the Company changed its estimate of the useful lives of certain fixed assets (Note 5). As a result of this change, income before income taxes increased approximately \$2.3 million, net income increased approximately \$1.4 million and earnings per share increased approximately \$.12 in 1995.

Deferred charges and related amortization:

Loan costs are deferred and amortized over the term of the respective agreements. Franchise rights are amortized over the remaining life of the franchise agreements. In the fourth quarter of 1994, the Company revised its estimate of the future benefit for preopening expenses. As a result, the Company expensed all unamortized preopening expenses of approximately \$900,000. The Company now expenses all preopening expenses as incurred. Previously, preopening expenses were amortized over a two year period. Other deferred charges are amortized over various periods of up to five years. All amortization is provided by the straight-line method.

YEARS ENDED DECEMBER 29, 1995,
DECEMBER 30, 1994 AND DECEMBER 31, 1993

1. Summary of significant accounting policies (continued):

Franchise fees and royalties:

The Company recognizes initial franchise fees upon fulfillment of all significant obligations to the franchisee. Royalties from franchisees are accrued as earned.

Impairment of intangibles and long-lived assets:

Impairment losses are recognized if the future cash flows expected to be generated by intangibles and long-lived assets are less than the carrying value of the assets. The impairment loss is equal to the amount by which the carrying value of the assets exceeds the fair value of the assets.

Reclassifications:

In 1995, the Company adopted the single step format for presenting its Consolidated Statements of Earnings. Certain reclassifications of 1994 and 1993 amounts have been made to conform to the 1995 presentation.

Use of estimates and assumptions:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates are used in determining the realization of the deferred tax asset, the liability for self-insured reserves and the collectibility of receivables. Actual results could differ from those estimates.

Accounting for stock-based compensation:

The Company has elected to not apply the accounting provisions of the Statement of Financial Accounting Standards No. 123 "Accounting for Stock-Based Compensation" issued by the Financial Accounting Standards Board.

2. Significant transactions:

Effective May 5, 1994, the Company sold its Monterey's Tex-Mex Cafe restaurants for an aggregate purchase price consisting of approximately \$6.7 million in cash, \$4.7 million in subordinated promissory notes and the retention of a 12 1/2% equity interest in the acquiring company. Due to the Company's substantial equity interest, the acquiring company is a related party subsequent to the transaction. Revenues from the Company's Monterey's Tex-Mex Cafe restaurants were \$6.5 million in 1994. Income before income taxes was \$6.3 million in 1994 including a gain of \$5.5 million from the sale.

The Company provided for a loss of approximately \$2.3 million in 1994 as a result of the Company's decision to close one Chuck E. Cheese's restaurant and the impairment in fair value of the fixed assets of ten Chuck E. Cheese's restaurants. The impairment in fair value of the ten restaurants is due to the Company's decision not to renew the leases as a result of the deterioration of site characteristics or the inability to renew the leases at acceptable rental terms.

4. Notes receivable:

The Company's notes receivable at December 29, 1995 and December 30, 1994 arose principally as a result of the sale of restaurants, lines of credit established with the International Association of ShowBiz Pizza Time Restaurants, Inc., a related party (Note 19), and advances to franchisees, joint ventures and managed properties. All obligors under the notes receivable are principally engaged in the restaurant industry. The notes have various terms, but most are payable in monthly installments of principal and interest through 2000, with interest rates ranging from 7.5% to 12.0%. The notes are generally collateralized by the related property and equipment. Balances of notes receivable are net of an allowance for doubtful collection of \$354,000 and \$139,000 at December 29, 1995 and December 30, 1994, respectively.

The new credit facility consists of certain term notes totalling \$33 million and a \$5 million revolving loan agreement. A 3/8% annual commitment fee is payable on any unused credit line. The Company is required to comply with certain financial ratio tests during the terms of the loan agreements.

As of December 29, 1995, scheduled annual maturities of all long-term debt (exclusive of obligations under capital leases) are \$6.7 million in 1997, \$10 million in 2000 and \$18 million in 2001.

10. Commitments and contingencies:

The Company has guaranteed certain obligations related to restaurant building and equipment leases. The underlying assets are collateral for the leases and the makers or assignees of all of the obligations are required to perform thereunder before the Company is required to fulfill its guarantee. In the event of default by the maker or assignee, the Company, in almost all cases, may make payment under the guarantees in accordance with the original payment schedule and has the right to locate potential buyers or subtenants for the assets. As of December 29, 1995, such guarantees aggregated approximately \$586,000.

11. Litigation:

The Company is involved in litigation arising in the normal course of its business. Based on information presently available, the Company believes there will be no material effects on the Company's financial position, results of operations or cash flows as a result of such litigation.

12. Redeemable preferred stock:

As of December 29, 1995, the Company had 49,570 shares of its redeemable preferred stock authorized and outstanding. The stock pays dividends at \$4.80 per year, subject to a minimum cash flow test. As of December 29, 1995, one quarterly dividend, totaling \$59,484 or \$1.20 per share, was accrued but not yet paid. The redeemable preferred stock has been recorded at the net present value and is being accreted on the straight-line basis. The Company's restated articles of incorporation provide for the redemption of such shares at \$60 per share in 2005. During the continuation of any event of default by the Company, the preferred shareholders shall be able to elect a majority of the directors of the Company.

At December 29, 1995, the Company has recorded a deferred tax asset of approximately \$33.0 million reflecting the \$24.7 million tax effect of \$67.0 million in net operating loss carryforwards, \$7.3 million in tax credit carryforwards and tax effected net taxable deductions of \$796,000. Realization of the deferred tax asset is dependent on generating sufficient taxable income prior to expiration of these carryforwards. Tax credit carryforwards can be utilized only after all net operating loss carryforwards have been realized. In 1994, the Company recorded a valuation allowance of \$1.1 million for tax credit carryforwards which are estimated to expire in 1997. Although realization is not assured, the Company believes it is more likely than not that the deferred tax asset will be realized. The amount of the deferred tax asset considered realizable could be reduced in the near term if estimates of future taxable income are reduced.

As of December 29, 1995, the Company has investment tax credit and jobs tax credit carryforwards totaling \$5,258,000 and \$548,000, respectively, and alternative minimum tax credits of \$1,513,000.

In August 1993, new federal tax legislation was enacted that increased the Company's federal tax rate to 35% effective December 31, 1993. As a result, the Company's deferred tax asset and net income were increased by approximately \$971,000 and deferred tax expense decreased in the same amount.

A schedule of expiring NOL's and tax credits by fiscal year are as follows:

Years	Amount

17. Fair value of financial instruments:

The Company has certain financial instruments consisting primarily of cash, cash equivalents, notes receivable, notes payable and redeemable preferred stock. The carrying amount of cash and cash equivalents approximates fair value because of the short maturity of those instruments. The carrying amount of the Company's notes receivable, notes payable and redeemable preferred stock approximates fair value based on the interest rates charged on instruments with similar terms and risks. The estimated fair value of the Company's redeemable preferred stock is \$3.0 million.

19. Related party transactions (continued):

In December 1993, the Company fully repaid approximately \$1.7 million in a term loan payable to a third party assigned by Integra. The Company made annual payments to Hallwood of \$125,000 for consulting services in 1995, 1994, and 1993. In consideration for rent reductions resulting from Hallwood's negotiation of the Company's home office lease agreement in December 1990, the Company assigned to Hallwood its sublease interest in the home office building subleased to Integra with a fair value of approximately \$120,000 per year. Integra vacated this space in 1995.

The Company paid \$99,000 in interest to Integra for 1993.

In 1993, Hallwood and its affiliate exercised warrants to purchase 835,873 shares of common stock. The exercise price of the warrants was \$1.78 per share.

During 1993, the Company advanced \$30,000 to joint ventures in which the Company has a 50% interest or less. Principal and interest are payable in monthly installments, with interest at various rates from prime to 12%. The Company also has miscellaneous accounts receivable from joint ventures of approximately \$410,000 and \$393,000 at December 29, 1995 and December 30, 1994, respectively.

In September 1990, the Company entered into an agreement to grant the International Association of ShowBiz Pizza Time Restaurants, Inc. (the "Association") a \$2.0 million line of credit, at prime. In December 1993, the Company granted the Association a \$1.0 million line of credit, at prime, for advertising production. In November 1994, available borrowings under the lines of credit were reduced to a total of \$2.4 million at an annual interest rate of prime plus 1/2%. In December 1995, the lines were renegotiated to provide the Association with available borrowings of \$3,750,000 at 10.5% which expire December 31, 1996. The Association was established to develop and improve entertainment attractions and produce system wide advertising. Two officers of the Association are also officers of the Company. At December 29, 1995, approximately \$1,869,000 was outstanding under these lines of credit. The Company also had a miscellaneous account receivable from the Association of \$5,000 and \$22,000 at December 29, 1995 and December 30, 1994, respectively.

20. Employee benefit plans:

The Company has employee benefit plans that include: a) executive bonus compensation plans based on the performance of the Company; b) non-statutory stock option plans for its employees and non-employee directors and c) a stock grant plan.

In 1995, the Company increased the number of shares of the Company's common stock which may be issued under its employee stock option plan by 500,000 shares to an aggregate of 1,848,025 shares. All shares must be granted before December 31, 1998. The exercise price for options granted under the plan may not be less than the fair market value of the Company's common stock at date of grant. Options may not be exercised until the employee has been continuously employed at least one year after the date of grant. Options which expire or terminate may be re-granted under the plan.

In 1995, the Company adopted a stock option plan for its non-employee directors. The number of shares of the Company's common stock that may be issued under this plan cannot exceed 100,000 shares. Options are granted at the fair market value of the Company's common stock at the date of grant.

All shares are subject to forfeiture upon termination of the participant's employment by the Company over vesting periods ranging from 2 years to 6 years. The shares are nontransferable during the vesting periods.

As a result of shares awarded to the Company's Chairman of the Board and Chief Executive Officer, the Company recognized deferred compensation of \$12.0 million in 1993. In 1995, the Company's Chairman of the Board and Chief Executive Officer forfeited 60,000 shares of unvested common stock of the Company previously awarded to him under the Company's stock grant plan. The deferred compensation is amortized over the compensated periods of service through 1997.

The Company has adopted the ShowBiz 401(k) Retirement and Savings Plan, to which it may at its discretion make an annual contribution out of its current or accumulated earnings. Contributions by the Company may be made in the form of its

common stock or in cash. In 1993, the Company made a contribution of approximately \$36,000 in common stock for the 1992 plan year. No contributions were made for the 1994 and 1993 plan year. The Company plans to contribute \$23,000 in common stock for the 1995 plan year 1995.

In the second quarter of 1994, the Company recognized a gain of \$5.5 million from the sale of its Monterey's Tex-Mex Cafe restaurants. This was partially offset by a \$2.0 million loss associated with the impairment in fair value of certain Chuck E. Cheese's restaurants.

The fourth quarter of 1994 includes a \$1.1 million increase in income tax expense due to a reduction in deferred tax credit carryforwards which are estimated to expire in 1997, a write-off of approximately \$900,000 for preopening expenses due to a change in the estimated future benefit of such expenses and a reserve of approximately \$400,000 for the impairment in fair value of certain Chuck E. Cheese's restaurants.

Floating Rate Series C Senior Notes due 1997

As of October 10, 1995

TO BFC Bank (Cayman) Ltd.

Ladies and Gentlemen:

SHOWBIZ PIZZA TIME, INC., a Kansas corporation (the "Company"), agrees with you as follows:

(1) THE NOTES.

(a) Authorization of Notes.

The Company has duly authorized the issue and sale of up to \$5,000,000 aggregate principal amount of its Floating Rate Series C Senior Notes due 1997 (the "Series C Notes"), substantially in the respective forms set out in Exhibit 1.1(a). As used herein, the term "Notes" shall mean all notes originally delivered pursuant to this Agreement and the Other Agreements referred to below and all notes delivered in substitution or exchange for any such note and, where applicable, shall include the singular number as well as the plural. Certain capitalized terms used in this Agreement are defined in Schedule B; references to a "Schedule" or an "Exhibit" are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement. The terms "Note", and "Series C Note" shall mean one of the Notes, and Series C Notes, respectively.

Interest Rates on the Notes; Reset Procedures for Series C Notes.

(b) Series C Notes. Each Series C Note shall bear interest, payable quarterly on each Interest Payment Date in each year, at a rate per annum (computed on the basis of actual days elapsed and a year of 360 days) equal to 3.5% plus the LIBOR Rate for the Interest Period commencing on the date of the Closing (which shall be a period of six months), and from time to time thereafter at a rate per annum (so computed) equal to 3.5% plus the LIBOR Rate as in effect from time to time for the applicable Interest Period until the principal thereof shall become due and payable and shall bear interest on demand on any overdue principal or premium, if any, and on any overdue installment of interest at the default rate specified therein. If you are purchasing Series C Notes under this Agreement, at least one Business Day before the date of the Closing, the Company will give notice to you, specifying the initial LIBOR Rate, which shall be determined with respect to the date of the Closing as if that date were a Reset Date, and the resulting applicable interest rate on the Series C Notes for the Interest Period commencing on the date of the Closing.

The Company will give written notice to each Holder of a Series C Note at least three Business Days prior to each Reset Date (a "Reset Notice") specifying the duration of the Interest Period commencing on that Reset Date. If for any reason the Company fails to give a Reset Notice with respect to any Reset Date, the Interest Period commencing on such Reset Date shall be deemed a six-month period (or a three-month period in the case of the final Interest Period if the Reset Date is three months prior to the final maturity of the Series C Notes). On each Reset Date the Company shall determine the LIBOR Rate for the Interest Period then commencing and will give notice (by telephone or facsimile) to the Calculation Holder (by telephone or facsimile to such person as the Calculation Holder may from time to time specify for such purpose) specifying the LIBOR Rate as so determined. If for any reason the Calculation Holder, by notice to the Company (which notice shall be given within two Business Days after the Reset Date), objects to

such determination, the LIBOR Rate as determined by the Calculation Holder shall be final and binding upon the Company absent manifest error. Forthwith and in any event within two Business Days after each Reset Date the Company will give written notice to the Holders of the Series C Notes specifying the LIBOR Rate and the resulting applicable interest rate on the Series C Notes for the Interest Period commencing on that Reset Date and stating whether the Calculation Holder determined (or confirmed the Company's determination of) the LIBOR Rate for that Interest Period. If for any reason neither the Company nor the Calculation Holder determines the LIBOR Rate for any Interest Period, the determination of the LIBOR Rate by any other Institutional Investor Holder of a Series C Note (acting in place of the Calculation Holder if necessary) and specified in a written notice to the Company shall be final and binding upon the Company and the Holders of the Series C Notes absent manifest error, provided that in case more than one such Institutional Investor Holder gives such a written notice and the LIBOR Rate in such notices is not the same rate, the LIBOR Rate shall be the rate agreed upon by such other Institutional Investor Holders as specified in a subsequent notice to the Company, which rate shall be final and binding as aforesaid.

(b) Certain Defined Terms and Procedures. For purposes of determining the applicable interest rate on the Series C Notes, the following terms have the following meanings (and certain matters will be determined in accordance with procedures as specified below):

"Calculation Holder" means the Institutional Investor holding the highest unpaid principal amount of Series C Notes at the time outstanding and willing to serve in such capacity.

"Designated Maturity" means for any Reset Date a period of three or six months, as the case may be, corresponding to the Interest Period commencing on such Reset Date.

"Interest Period" means a period commencing on and including the date of the Closing or a Reset Date, as the case may be, and ending on the Interest Payment Date that is three or six months thereafter, as set forth in respect of the Interest Period commencing on the date of the Closing in Section 1.2(a) and as set forth in respect of each Reset Date in the Reset Notice for such period. Notwithstanding the foregoing if the Interest Payment Date in the appropriate month is not a Business Day such Interest Period shall be extended to the next day that is a Business Day and if there is no numerically corresponding date in the appropriate month, such Interest Period shall end on the last Business Day of such month.

"LIBOR Rate" means for the Interest Period commencing on the date of the Closing, the rate specified in notice from the Company given pursuant to Section 1.2(a); and means for any Reset Date the rate for deposits in U.S. Dollars for a period of the Designated Maturity which appears on the display designated as "Page 3750" on Telerate Access Service (or such other display as may replace Page 3750 on Telerate Access Service) as of 11:00 a.m., London time, on the date that is two London Banking Days preceding that Reset Date; and if such rate does not appear on Telerate Page 3750 (or such other display), the rate for that Reset Date will be determined on the basis of rates on which deposits in U.S. dollars are offered by the Reference Banks at approximately 11:00 a.m., London time, on the day that is two London Banking Days preceding that Reset Date to prime banks in the London interbank market for a period of the Designated Maturity commencing on that Reset Date and in a Representative Amount. The Company will cause the Calculation Holder to request the principal London office of each of the Reference Banks to provide a quotation of its rate. If at least two such quotations are provided, the rate for that Reset Date will be the arithmetic means of the quotations. If fewer than two quotations are provided as requested, the rate for that Reset Date will be the

arithmetic mean of the rates quoted by major banks in New York City, selected by the Calculation Holder, at approximately 11:00 a.m., New York City time, on that Reset Date for loans in U.S. dollars to leading European banks for a period of the Designated Maturity commencing on that Reset Date and in a Representative Amount.

"London Banking Day" means any day other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in London, England.

"Reference Banks" means four major banks in the London interbank market.

"Representative Amount" means an amount that is comparable to the unpaid principal amount of the Series C Notes at the relevant time.

"Reset Date" means any Interest Payment Date corresponding to the first day of an Interest Period.

"Reset Notice" is defined in Section 1.2(a).

(c) Extension.

Upon notice to the Company by the Holder of any Note, given not less than ninety (90) nor more than one hundred twenty (120) days prior to each annual anniversary date of the Notes, the Holder may, at its sole and absolute discretion, elect to extend the maturity date on a Note for an additional year. If a Holder extends the maturity date of a Note, the Company shall, upon surrender of any such Note at the principal executive office of the Company, execute and deliver a new Note reflecting the extended maturity date in exchange therefor. Notwithstanding anything herein, no extension of the maturity of the Notes under this Section 1.3 shall extend the maturity of any of the Notes beyond October 10, 2000.

(d) Optional Redemption.

(A) The Company shall have the right, at its option, to redeem the Notes in whole or in part at any time and from time to time, as provided herein and in the Notes. At least 30 days but not more than 60 days before a Redemption Date, the Company shall mail a notice of redemption by first class mail to the Holder at such Holder's registered address. Each notice for redemption shall identify the principal amount of the Note to be redeemed and shall state:

1. the Redemption Date;
2. the Redemption Price;
3. the name and address of the Paying Agent;
4. that the Note called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
5. that, unless the Company defaults in making the redemption payment, interest on the principal amount of the Notes called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Notes is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Notes redeemed;
6. if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date, and upon surrender of such Note, a new Note or Notes in aggregate principal amount equal to the unredeemed portion thereof will be issued; and
7. if fewer than all the Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of

Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption.

(b) Once notice of redemption is mailed in accordance with Section 1.4(a), Notes (or any part thereof) called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender to the Paying Agent, such Notes (or any part thereof) called for redemption shall be paid at the Redemption Price.

(c) On or before the Redemption Date, the Company shall deposit with the Paying Agent United States dollars sufficient to pay the Redemption Price of all Notes (or part thereof) to be redeemed on that date (other than Notes or any part thereof called for redemption on that date which have been delivered to the Paying Agent for cancellation). The Paying Agent shall promptly return to the Company any United States dollars so deposited which are not required for that purpose upon the written request of the Company.

(d) If the Company complies with the preceding paragraph, then, unless the Company defaults in the payment of such Redemption Price, interest on the Notes (or any part thereof) to be redeemed will cease to accrue on and after the applicable Redemption Date, whether or not such Notes are presented for payment.

(e) Upon surrender of a Note that is to be redeemed in part, the Company shall issue to the Holder, at the expense of the Company, a new Note or Notes equal in principal amount to the unredeemed portion of the Note surrendered.

(e) Withholding Taxes.

All payments by the Company of principal of and interest on the Notes are payable without deduction for or on account of any present or future taxes, duties or other charges levied or imposed by the United States of America or by the government of any jurisdiction outside the United States of America or by any political subdivision or taxing authority of or in any of the foregoing through withholding or deduction with respect to any such payments. If any such taxes, duties or other charges are so levied or imposed, the Company will pay additional interest or will make additional payments in such amounts so that every net payment of principal of and interest on the Notes, after withholding or deduction for or on account of any such present or future taxes, duties or other charges, will not be less than the amount provided for herein or therein, provided that the Company shall have no obligation to pay such additional amounts to any Holder to the extent that such taxes, duties, or other charges are levied or imposed by reason of the failure of such Holder to comply with the provisions of Section 1.6. The Company shall furnish promptly to each Holder official receipts evidencing any such withholding or reduction.

(f) Withholding Tax Exemption for Obligations Targeted to Foreign Markets.

Each Holder agrees that it will deliver to the Company a certificate not more than 90 days prior to the first Interest Payment Date, and annually thereafter on January 15 of each year signed under oath (subject to penalty for perjury) by such Holder and certifying that (A) the beneficial owners of the Notes are foreign (non-U.S.) persons and have not been U.S. persons on any Interest Payment Date, (B) during all periods while the Holder holds the Notes, the beneficial owners of the Notes on each Interest Payment Date will not be a U.S. person, and (C) the Holder will provide a statement to the Company if the Notes are transferred to a U.S. Person, notifying the Company of such event. Such certificate shall be substantially in the form attached hereto as Exhibit 1.6, which form complies with the requirements of Treasury Regulation S 35a.999-5(b) (question and answer 14).

(2) SALE AND PURCHASE OF NOTES.

Subject to the terms and conditions of this Agreement, the

Company will issue and sell to you, as record holder on behalf of the Beneficial Owner, and you, as record holder on behalf of the Beneficial Owner, will purchase from the Company, at the Closing provided for in Section 3, Series C Notes in the principal amount or amounts specified opposite your name in Schedule A at the purchase price of 100% of the principal amount thereof, and in the aggregate principal amount of not more than Five Million Dollars (\$5,000,000). Contemporaneously with entering into this Agreement, the Company is entering into separate Note Purchase Agreements (the "Other Agreements") identical with this Agreement (except for the principal amounts of Notes to be purchased) with each of the other purchasers named in Schedule A (the "Other Purchasers"), providing for the sale at such Closing to each of the Other Purchasers of Notes in the principal amount or amounts specified opposite its name in Schedule A. Your obligation hereunder and the obligations of the Other Purchasers under the Other Agreements are several and not joint obligations and you shall have no obligation under any Other Agreement and no liability to any Person for the performance or non-performance by any Other Purchaser thereunder. The aggregate principal amount of Notes issued and sold by the Company under this Agreement and the Other Agreements shall not exceed U.S. \$5,000,000.

(3) CLOSING.

The sale and purchase of the Notes to be purchased by you and the Other Purchasers shall occur at the offices of Banque Financiere de la Cite, at 9:00 a.m., Dallas, Texas time, at a closing (the "Closing") on October 10, 1995 or on such other Business Day thereafter on or prior to October 24, 1995 as may be agreed upon by the Company and you and the Other Purchasers. At the Closing the Company will deliver to you the Notes to be purchased by you, as record holder on behalf of the Beneficial Owner, in the form of a single Note so to be purchased (or such greater number of Notes in denominations of at least U.S. \$100,000 as you may request) dated the date of the Closing and registered in your name (or in the name of your nominee), against delivery by you to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds (in U.S. Legal Tender) for the account of the Company to account number 501-33529 at Bank of Boston, Boston, Massachusetts, ABA# 011000390 (Attention: Frank D'Ulisse at 617-434-7996).

If at the Closing the Company shall fail to tender such Notes to you as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to your satisfaction, you shall, at your election, be relieved of all further obligations under this Agreement, without thereby waiving any rights you may have by reason of such failure or such nonfulfillment.

(4) CONDITIONS TO CLOSING.

Your obligation to purchase and pay for the Notes to be sold to you at the Closing is subject to the fulfillment to your satisfaction, prior to or at the Closing, of the following conditions:

(a) Representations and Warranties.

The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing.

(b) Performance; No Default.

The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof) no Default or Event of Default shall have occurred and be continuing.

(c) Compliance Certificates.

(a) Officer's Certificate. The Company shall have delivered to you an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) Secretary's Certificate. The Company shall have delivered to you a certificate of the Secretary or an Assistant Secretary of the Company certifying as to the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Notes and this Agreement and the Other Agreements.

(d) Opinions of Counsel.

You shall have received opinions in form and substance satisfactory to you, dated the date of the Closing and addressed to you and the Beneficial Owner from Marshall Fisco, Esq., Counsel of the Company, and Winstead Sechrest & Minick P.C., special counsel for the Company, substantially in the respective forms set forth in Exhibits 4.4(a) and 4.4(b) and covering such other matters incident to the transactions contemplated hereby as you or your counsel may reasonably request.

(e) Purchase Permitted By Applicable Law, etc.

On the date of the Closing your purchase of Notes as record holder on behalf of the Beneficial Owner shall (a) be permitted by the laws and regulations of each jurisdiction to which you and the Beneficial Owner are subject, (b) not violate any applicable law or regulation (including without limitation Regulation G, T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject you to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by you, you shall have received an Officer's Certificate certifying as to such matters of fact as you may reasonably specify to enable you to determine whether such purchase is so permitted.

(f) Sale of Notes to Other Purchasers.

The Company shall sell to the Other Purchasers and the Other Purchasers shall purchase the Notes to be purchased by them at the Closing as specified in Schedule A.

(g) Changes in Corporate Structure.

The Company shall not have changed its jurisdiction of incorporation or been a party to any merger or consolidation and shall not have succeeded to all or any substantial part of the liabilities of any other entity at any time following the date of the most recent financial statements referred to in Schedule 5.5. There has been no event, condition, or occurrence since December 31, 1994 which, individually or in the aggregate, has had a Material Adverse Effect and no condition exists or event has occurred, individually or in the aggregate, that could reasonably be expected to have a Material Adverse Effect.

(h) Proceedings and Documents.

All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to you and your special counsel, and you and your special counsel shall have received all such counterpart originals or certified or other copies of such documents as you or they may reasonably request.

(5) REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to you that the following are true and correct as of the date hereof and will be true and correct through the date of the Closing as if made on such date.

(a) Organization; Power and Authority.

The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Other Agreements and the Notes and to perform the provisions hereof and thereof.

(b) Authorization, etc.

This Agreement and the Other Agreements and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) Disclosure.

This Agreement, the documents, certificates or other writings delivered to you by or on behalf of the Company in connection with the transactions contemplated hereby and described in Schedule 5.3 (the "Disclosure Documents"), and the financial statements listed in Schedule 5.5, taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Since December 31, 1994, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Subsidiary except as disclosed in the Disclosure Documents or in the financial statements listed in Schedule 5.5 and other changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents. Any projections provided by the Company in the Disclosure Documents are based on assumptions which management of the Company believes to be reasonable.

(d) Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of the Company's (i) Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, (ii) Affiliates, other than Subsidiaries, and (iii) directors and senior officers.

(B) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien (except as otherwise disclosed in Schedule 5.4).

(c) Each Subsidiary identified in Schedule 5.4 is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is

required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is a party to, or otherwise subject to any legal restriction or any agreement (other than this Agreement, the agreements listed in Schedule 5.4 and customary limitations imposed by corporate law statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

(e) Financial Statements.

The Company has delivered to you copies of the financial statements of the Company and its Subsidiaries listed in Schedule 5.5. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments made in accordance with GAAP).

(f) Compliance with Laws, Other Instruments, etc.

The execution, delivery and performance by the Company of this Agreement and the Notes will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

(g) Governmental Authorizations, etc.

No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required for the validity of the execution, delivery or performance by the Company of this Agreement or the Notes. Specifically, and without limitation of the foregoing, no registration of the Notes is required under the Securities Act, the Securities Exchange Act, or the Texas Securities Act, and no indenture with respect to the Notes is required to be qualified under the Trust Indenture Act of 1939.

(h) Litigation; Observance of Agreements, Statutes and Orders.

(a) Except as disclosed in Schedule 5.8, there are no actions, suits or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Subsidiary is in default under any term of any agreement or instrument to which it is a party or by which it is bound, or any order, judgment, decree or

ruling of any court, arbitrator or Governmental Authority or is in violation of any applicable law, ordinance, rule or regulation (including without limitation Environmental Laws) of any Governmental Authority, which default or violation, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(i) Taxes

The Company and its Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (a) currently payable without penalty or interest, (b) the amount of which is not individually or in the aggregate Material or (c) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that individually or in the aggregate might be Material. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of Federal, state or other taxes for all fiscal periods are adequate. The Federal income tax liabilities of the Company and its Subsidiaries have been determined by the Internal Revenue Service and paid for all fiscal years up to and including the fiscal year ended December 31, 1993.

(j) Title to Property; Leases.

The Company and its Subsidiaries have good and marketable title to their respective real properties and good and sufficient title to their respective other properties that individually or in the aggregate are Material, including all such properties reflected in the most recent audited balance sheet listed on Schedule 5.5 or purported to have been acquired by the Company or any Subsidiary after said date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens other than the Liens disclosed on Schedule 5.15. All leases that individually or in the aggregate are Material are valid and subsisting and are in full force and effect in all material respects.

(k) Licenses, Permits, etc.

Except as disclosed in Schedule 5.11,

(a) the Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others;

(b) to the best knowledge of the Company, no product of the Company infringes in any material respect any license, permit, franchise, authorization, patent, copyright, service mark, trademark, trade name or other right owned by any other Person; and

(c) to the best knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of its Subsidiaries with respect to any patent, copyright, service mark, trademark, trade name or other right owned or used by the Company or any of its Subsidiaries.

(l) Compliance with ERISA.

(a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any

ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in Section 3 of ERISA), and no event, transaction or condition has occurred or exists that could reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to Section 401(a)(29) or 412 of the Code, other than such liabilities or Liens as would not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans), determined as of the end of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities. The term "benefit liabilities" has the meaning specified in section 4001 of ERISA and the terms "current value" and "present value" have the meaning specified in section 3 of ERISA.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(d) The expected postretirement benefit obligation (determined as of the last day of the Company's most recently ended fiscal year in accordance with Financial Accounting Standards Board Statement No. 106, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) of the Company and its Subsidiaries is not Material.

(m) Private Offering by the Company.

(8) PREPAYMENT OF THE NOTES

In addition to the payment of the entire unpaid principal amount of the Notes at the final maturity thereof, the Company will make required prepayments in respect of the Notes, and under certain circumstances may be required to offer to prepay all Notes, as hereinafter provided.

(a) Prepayment in Connection with a Change of Control.

Promptly and in any event within five Business Days after the occurrence of a Change of Control, the Company will give written notice thereof to the Holders of all outstanding Notes, which notice shall (a) refer specifically to this Section 8.1, (b) describe the Change of Control in reasonable detail and specify the Change of Control Prepayment Date and the Response Date (as respectively defined below) in respect thereof, and (c) offer to prepay all Notes at the Redemption Price on the date therein specified (the "Change of Control Prepayment Date"), which shall be not less than 10 nor more than 30 days after the date of such notice is given. In the event that the Company shall fail to give any notice required above within five Business Days after being requested to do so by the Holder of any Note, such Holder may give such notice (with a copy thereof to the Company), which notice shall have the same effect as if given by the Company. Each Holder of a Note will notify the Company of such Holder's acceptance or rejection of such offer by giving written notice of such acceptance or rejection to the Company at least five days prior to the Change of Control Prepayment Date (the "Response Date"), except that the failure by any such Holder to respond in writing to such offer on or before the Response Date shall be deemed to be an acceptance of such offer by such Holder in respect of such Change of Control. The Company shall prepay on the Change of Control Prepayment Date all of the Notes held by the Holders as to which such offer has been so accepted, at the Redemption Price. If any Holder shall reject such offer, such Holder shall be deemed to have waived its rights under this Section 8.1 to require prepayment of all Notes held by such Holder in respect of such Change of Control but not in respect of any subsequent Change of Control.

If the Change of Control Prepayment Date does not occur on the last day of an Interest Period, the Company shall also pay each

Holder of a Series C Note then being prepaid an amount equal to the LIBOR Funding Loss Amount with respect to such Series C Note, as specified by written notice given by the Holder of such Series C Note at least two Business Days prior to the Change of Control Prepayment Date (or, if such notice is subsequently given by such Holder, within two Business Days after receipt of such notice by the Company). The obligation of the Company to pay such LIBOR Funding Loss Amount with respect to the prepayment of any Series C Note pursuant to this Section 8.1 shall survive the prepayment of such Series C Note and the termination of this Agreement.

(b) Allocation of Partial Prepayments.

In the case of each partial prepayment of the Notes, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof.

(c) Maturity; Surrender, etc.

In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

(d) Purchase or Optional Redemption of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to a notice of optional redemption pursuant to Section 1.4 hereof made by the Company or any such Affiliate to the Holders of all Notes at the time outstanding to redeem Notes on the same terms and conditions, pro rata among all Notes tendered.

Any Notes so repurchased or redeemed shall immediately upon acquisition thereof be cancelled and no Notes shall be issued in substitution or exchange therefor, except as provided in Section 1.4.

Promptly and in any event within five Business Days after each such purchase or redemption of Notes, the Company will furnish each Holder of the Notes with a certificate of a Senior Financial Officer describing such purchase (including the aggregate principal amount of Notes so purchased and the purchase price therefor) and certifying that such purchase was made in compliance with the requirements of this Section.

non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Insurance

The Company will and will cause each of its Subsidiaries to maintain, with financially sound and reputable insurers rated "A" or better by A.M. Best Company, Inc., insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles and co-insurance) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

(c) Maintenance of Properties.

The Company will and will cause each of its Subsidiaries to maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, provided that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) Payment of Taxes and Claims.

The Company will and will cause each of its Subsidiaries to file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary, provided that neither the Company nor any Subsidiary need pay any such tax or assessment or claim if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the nonpayment of all such taxes and assessments in the aggregate could not reasonably be expected to have a Material Adverse Effect.

(e) Corporate Existence, etc.

The Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Sections 10.5 and 10.6, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Subsidiary) and all rights and franchises (as franchises) of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, have a Material Adverse Effect.

(f) Lines of Business.

The Company and its Subsidiaries will remain engaged solely in the business of owning and operating family restaurant/entertainment centers, and other businesses directly related thereto.

(10) NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

(iii) such Asset Sales in the aggregate shall not involve a substantial number of Chuck E. Cheese's restaurants (except in connection with closings in the ordinary course of business) or any intangible assets related to Chuck E. Cheese's restaurants generally,

and provided further that for purposes of clause (ii) above there shall be excluded the net book value of property or assets disposed of in an Asset Sale if and to the extent such Asset Sale is made for cash, payable in full upon the completion of such Asset Sale, and an amount equal to the net proceeds realized upon such Asset Sale is applied by the Company or such Subsidiary, as the case may be, within one year after the effective date of such Asset Sale (x) to reinvest in similar categories of property or assets for use in the business of the Company and its Subsidiaries (but not in a transaction Permitted by Section 10.1(a)(ii)) or (y) to repay Indebtedness (which may, at the sole option of the Company, include the purchase of Notes pursuant to an offer to purchase Notes pursuant to Section 8.4).

For purposes of this Section 10.3 any shares of Voting Stock of a Subsidiary that are the subject of an Asset Sale shall be valued at the greater of (1) the fair market value of such shares as determined in good faith by the Board of Directors of the Company and (2) the aggregate net book value of the assets of such Subsidiary multiplied by a fraction of which the numerator is the aggregate number of shares of Voting Stock of such Subsidiary disposed of in such Asset Sale and the denominator is the aggregate number of shares of Voting Stock of such Subsidiary outstanding immediately prior to such Asset Sale.

(d) Merger, Consolidation, etc.

The Company will not and will not permit any Subsidiary to consolidate with or merge with any other corporation or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person except:

(a) a Subsidiary may consolidate with or merge with, convey or transfer all or substantially all of its assets to

(i) the Company (provided that the Company shall be the continuing or surviving corporation) or a then existing Wholly-Owned Subsidiary, or

(ii) any Person in an Asset Sale involving all of the outstanding stock or all or substantially all of the assets of such Subsidiary, in either case subject to the limitations of Section 10.3 and to the further requirement that such Subsidiary does not at the time of such Asset Sale own, directly or indirectly, any shares of capital stock or any Indebtedness of any other Subsidiary not simultaneously being sold as part of such Asset Sale; and

(b) the Company may consolidate with or merge with any other corporation or convey or transfer all or substantially all of its assets to a solvent corporation organized and existing under the laws of the United States or any state

thereof, provided that

(i) if the Company is not the continuing, surviving or acquiring corporation (the "surviving corporation"), the surviving corporation shall have (A) executed and delivered to each Holder of a Note its assumption (pursuant to documentation in form and substance reasonably satisfactory to the Required Holders) of the due and punctual performance and observance of all obligations of the Company under this Agreement, the Other Agreements and the Notes and (B) caused to be delivered to each Holder of a Note an opinion of counsel reasonably satisfactory to the Required Holders to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof, and

(2) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing and, if applicable, the Company shall have given any notice required in connection with such transaction under Section 8.1.

No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation that shall theretofore have become such in the manner prescribed in this Section 10.4 from its liability under this Agreement or the Notes.

(e) Subsidiary Indebtedness.

The Company will not permit any Subsidiary to create, assume incur, guarantee or otherwise become liable in respect of any Indebtedness except

(a) Indebtedness securing Liens permitted by clause (i), (ii) or (iii) of Section 10.1(a), and

(b) Indebtedness of a Wholly-Owned Subsidiary owing to the Company or another Wholly-Owned Subsidiary.

For purposes of this Section 10.5, a Subsidiary shall be deemed to have incurred Indebtedness in respect of any obligation previously owed to the Company or to a Wholly-Owned Subsidiary on the date the obligee ceases for any reason to be the Company or a Wholly-Owned Subsidiary and a Person that hereafter becomes a Subsidiary shall be deemed at that time to have incurred all of its outstanding Indebtedness.

(f) Transactions with Affiliates.

The Company will not and will not permit any Subsidiary to enter into directly or indirectly any transaction or Material group of related transactions (including without limitation the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except in the ordinary course and pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

(11) EVENTS OF DEFAULT.

An "Event of Default" shall exist if any of the following conditions or events shall occur and be continuing:

(a) the Company defaults in the payment of any principal or premium on any Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise; or

(b) the Company defaults in the payment of any interest on any Note for more than five Business Days after the same becomes due and payable; or

(d) the Company defaults in the performance of or compliance with any term contained herein (other than those referred to in paragraphs (a), (b) and (c) of this Section 11) and such default is not remedied within 30 days after a Responsible Officer obtaining actual knowledge of such default; or

(e) any representation or warranty made in writing by or on behalf of the Company or by any officer of the Company in this Agreement or in any writing furnished in connection with the transactions contemplated hereby proves to have been false or incorrect in any material respect on the date as of which made; or

(f) the Company or any Subsidiary (i) is generally not paying, or admits in writing its inability to pay, its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy, insolvency, reorganization, moratorium or other similar law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, (v) is adjudicated as insolvent or to be liquidated, or (vi) takes corporate action for the purpose of any of the foregoing; or

(g) a court or governmental authority of competent jurisdiction enters an order appointing, without consent by the Company or any Subsidiary, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the Company or any Subsidiary, or any such petition shall be filed against the Company or any Subsidiary and such petition shall not be dismissed within 60 days; or

(h) a final judgment or judgments for the payment of money aggregating in excess of \$500,000 are rendered against one or more of the Company and its Subsidiaries which judgments are not, within 60 days after entry thereof, bonded, paid, discharged or stayed pending appeal, or are not discharged within 60 days after the expiration of such stay; or

(12) REMEDIES ON DEFAULT, ETC.

(a) Acceleration.

If any Event of Default has occurred and is continuing, the Required Holders of the Notes may at any time at its or their option, by notice or notices to the Company, declare all the Notes at the time outstanding to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon and the LIBOR Funding Loss Amount for each Series C Note (in each case to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived.

(b) Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the Holder of any Note at the time outstanding may proceed to protect and enforce the rights of such Holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

(c) Rescission.

At any time after any Notes have been declared due and payable pursuant to Section 12.1, the Required Holders by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the respective default rates specified in the Notes, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

(d) No Waivers or Election of Remedies, Expenses, etc.

No course of dealing and no delay on the part of any Holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such Holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any Holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the Holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such Holder incurred in any enforcement or collection under this Section 12, including without limitation reasonable attorneys' fees, expenses and disbursements.

(13) REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

(a) Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each Holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and Holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any Holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered Holders of Notes.

(b) Transfer and Exchange of Notes.

Upon surrender of any Note at the principal executive office of the Company for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by the registered Holder of such Note or his attorney duly authorized

in writing and accompanied by the address for notices of each transferee of such Note or part thereof), the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the Holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such Holder may request. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a Holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000.

You agree that the Company shall not be required to register the transfer of any Note to any Person (other than your nominee) or to any separate account maintained by you unless the Company receives from the transferee a representation to the Company (and appropriate information as to any separate accounts or other matters) to the same or similar effect with respect to the transferee as is contained in Section 6.2. You shall not be liable for any damages in connection with any such representations or assurances provided to the Company by any transferee.

(c) Replacement of Notes.

Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the Holder of such Note is, or is a nominee for, an original Purchaser or any other Institutional Investor, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

(14) PAYMENTS ON NOTES.

(a) Place of Payment.

Subject to Section 14.2, payments of principal, premium, if any, and interest becoming due and payable on the Notes shall be made in the State of Texas at the principal office of the Company in such jurisdiction. The Company may at any time, by notice to each Holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

(b) Home Office Payment.

So long as you or your nominee shall be the Holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal and interest by the method and at the address specified for such purpose below your name in Schedule A, or by such other method or at such other address as you shall

have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, you shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by you or your nominee you will, at your election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by you under this Agreement and that has made the same agreement relating to such Note as you have made in this Section 14.2.

(15) EXPENSES, ETC.

(a) Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys and, if reasonably required, local or other counsel) incurred by you and each Other Purchaser or Holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a Holder of any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will pay, and will save you and each other Holder of a Note harmless from, all claims in respect of any fees, costs or expenses if any, of brokers and finders (other than those retained by you).

(b) LIBOR Funding Losses.

The Company will pay each Holder of a Series C Note, within two Business Days after demand therefor, such amount (the "LIBOR Funding Loss Amount") as in the good faith determination by such Holder will compensate such Holder for any loss or reasonable expense such Holder may sustain as a consequence of the receipt or recovery for any reason (including without limitation a prepayment pursuant to Section 8.1 or acceleration pursuant to Section 12.1) of all or any part of payment on account of such Series C Note prior to the last day of the applicable Interest Period therefor, including without limitation any loss or expense sustained or incurred in liquidating a Swap or any loss of margin on reemployment of the funds so received or recovered.

(c) Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

(16) SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by you of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent Holder of a Note, regardless of any investigation made at any time by or on behalf of you or any other

Holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between you and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

(a) Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21, or any defined term (as it is used therein), will be effective as to you unless consented to by you in writing, and (b) no such amendment or waiver may, without the written consent of the Holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or change the rate or the time of payment or method of computation of interest on, the Notes, (ii) change the percentage of the principal amount of the Notes the Holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

(b) Solicitation of Holders of Notes.

(a) Solicitation. The Company will provide each Holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each Holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any Holder of Notes as consideration for or as an inducement to the entering into by any Holder of Notes or any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms (or no less favorable terms taking into account differences in the terms of the Notes), ratably to each Holder of Notes then outstanding even if such Holder did not consent to such waiver or amendment.

(c) Binding Effect, etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all Holders of Notes and is binding upon them and upon each future Holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the Holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any Holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

(d) Notes held by Company, etc.

Solely for the purpose of determining whether the Holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the Holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

(18) NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(i) if to you or your nominee, to you or it at the address specified for such communications in Schedule A, or at such other address as you or it shall have specified to the Company in writing,

(19) REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by you at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to you, may be reproduced by you by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and you may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by you in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other Holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

(20) CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "Confidential Information" means information delivered to you by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by you as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to you prior to the time of such

Each Holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any Holder of a Note of information required to be delivered to such Holder under this Agreement or requested by such Holder (other than a Holder that is a party to this Agreement or its nominee), such Holder will enter into an agreement with the Company embodying the provisions of this Section 20.

You shall have the right to substitute any one of your non-United States Affiliates as the purchaser of the Notes that you have agreed to purchase as record holder on behalf of the Beneficial Owner hereunder, by written notice to the Company, which notice shall be signed by both you and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall be deemed to refer to such Affiliate in lieu of you. In the event that such Affiliate is so substituted as a purchaser hereunder and such Affiliate thereafter transfers to you all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall no longer be deemed to refer to such Affiliate, but shall refer to you, and you shall have all the rights of an original Holder of the Notes under this Agreement.

All capitalized terms used herein without definition shall have the meanings ascribed thereto in the Note Purchase Agreement.

In my capacity as in-house counsel to the Company and its subsidiaries, I have participated in the preparation of the Agreement and the exhibits and other documents referred to therein. I have examined such corporate documents and records of the Company and its subsidiaries, certificates of public officials and other certificates, opinions and instruments and have made such other investigations as I have deemed necessary or advisable as a basis for the opinions hereinafter expressed.

In my examination I have assumed the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified or photostatic copies and the authenticity of the originals of such latter documents. In addition, I have assumed the genuineness of all signatures except signatures of representatives of the Company, the due authorization, execution and delivery of all documents referred to herein by parties thereto other than the Company and the due authority of all persons executing such documents except persons executing such documents on behalf of the Company.

Based upon the foregoing and having regard for the legal consideration that I deem relevant, I render my opinion to you pursuant to Section 4.4(a) of the Note Purchase Agreement as follows:

1. The Company is a corporation duly organized and validly existing under the laws of the State of Kansas and has all requisite power and authority to own or hold under lease the property its purports to own or hold under lease, to carry on its business as now being conducted.

2. The Company has duly qualified and is authorized to do business in each jurisdiction where such qualification and authorization in necessary, except where the failure to be so qualified and authorized, individually or in the aggregate, could not have a Material Adverse Effect.

3. The Company has the corporate power and authority to execute and deliver the Note Purchase Agreement and the Notes and to perform the provisions thereof. The Note Purchase Agreement have been duly authorized, executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company and is enforceable against the Company in accordance with their respective terms.

4. The Notes have been duly authorized, executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company and is enforceable against the Company in accordance with their respective terms.

5. The execution and delivery by the Company of the Note Purchase Agreement and the performance by the Company of the transactions to be consummated by the Company described therein including the issuance of the Note do not conflict with or constitute on the part of the Company a breach or a violation of any of the terms and provisions of, or constitute (with due notice or lapse of time or both) a default under the Articles of the Company or Bylaws of the Company or of any indenture, agreement, order, writ, judgment or decree known to me to which the Company is a party or by which it or any of its properties are bound.

6. To the best of my knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity by or before any court or any Government Authority or public board or body pending or threatened against or affecting the Company or any subsidiary or any of its properties wherein an unfavorable decision, ruling or finding (a) would adversely affect the validity or enforceability of the Note Purchase Agreement or the Notes, (b) might result in any materially adverse change in the operations, properties, assets, liabilities or financial condition of the Company, or (c) would otherwise adversely affect the capability of the Company to comply with its obligations under the Note Purchase Agreement.

7. Each Subsidiary is a corporation or other legal entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization. Each Subsidiary has all requisite power and authority to own or hold under lease the property it purports to own or hold under lease and to transact the business it transacts.

Letter to Beneficial Owners

8. Each Subsidiary has duly qualified and is authorized to do business in each jurisdiction where such qualification and authorization in necessary, except where the failure to be so qualified and authorized, individually or in the aggregate, could not have a Material Adverse Effect.

My opinion expressed in paragraph 4 above is qualified to the extent that (a) the enforceability of the Note Purchase Agreement and the Notes may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws of general application from time to time affecting the rights of creditors, landlords, and secured parties generally and providing for relief of debtors, (b) a particular court may refuse to grant certain equitable remedies, including, without limiting the generality of the foregoing, specific performance, with respect to the enforcement of any provisions of the Note Purchase Agreement or the Notes, (c) certain provisions of the Note Purchase Agreement are or may be unenforceable in whole or in part under the laws of the State of Texas, but the inclusion of such provisions does not affect the validity of the Note Purchase Agreement, and the Note Purchase Agreement contains adequate provisions for enforcing payment of the obligations thereunder (including payment of the Notes) and for the practical realization of the rights and benefits afforded thereby, and (d) the enforceability of the indemnity provisions contained in the Note Purchase Agreement may be limited by federal securities laws and is subject to the qualification that a state court, in determining whether any party to an agreement is entitled to indemnification under the terms of the agreement, will limit any such indemnification arising from such party's sole or contributory negligence to the express terms and conditions as set forth in the agreement.

My opinion is limited solely to the laws of the State of Texas and the Kansas General Corporation Code, and the laws of the United States of America in effect on the date hereof, and no opinion is expressed herein as to any matters governed by the laws of any other jurisdictions.

This opinion is furnished to you solely in connection with the transactions being consummated today pursuant to the Note Purchase Agreement and may not be relied upon or described or quoted from by any other person, firm or entity without, in each instance, my prior written consent.

Floating Rate Series C Senior Notes due 1997

To the several Purchasers listed in
Schedule A to the within-mentioned
Note Purchase Agreement and
the Beneficial Owner

Ladies and Gentlemen:

We have acted as special counsel to ShowBiz Pizza Time, Inc. (the "Company") in connection with the issuance by the Company of its Floating Rate Series C Senior Notes due 1997 in an aggregate principal amount of \$5,000,000 (the "Series C Notes" or the "Notes") and the purchases by you pursuant to the Note Purchase Agreement made by Purchaser with the Company under date of October 10, 1995 (the "Note Purchase Agreement") of Notes in the respective aggregate principal amounts specified in Schedule A to the Note Purchase Agreement. All capitalized terms used herein without definition shall have the meanings ascribed thereto in the Note Purchase Agreement.

We have examined such corporate records of the Company and its Subsidiaries, agreements and other instruments, certificates of officers and representatives of the Company and its Subsidiaries, certificates of public officials, and such other documents, as we have deemed necessary in connection with the opinions hereinafter expressed. In such examination we have assumed the genuineness of all signatures, the authenticity of documents submitted to us as originals and the conformity with the authentic originals of all documents submitted to us as copies. As to questions of fact material to such opinions we have, when relevant facts were not independently established, relied upon the representations set forth in the Note Purchase Agreement and upon certifications by officers or other representatives of the Company and its Subsidiaries.

Based upon the foregoing and having regard for legal considerations that we deem relevant, we render our opinion to you pursuant to Section 4.4 of the Note Purchase Agreement as follows:

1. The Company is a corporation duly organized and validly existing under the laws of the State of Kansas and has all requisite power to execute and deliver the Note Purchase Agreement and the Notes and to perform its obligations thereunder.
2. The Note Purchase Agreement has been duly authorized, executed and delivered by the Company and constitute legal, valid and binding agreements of the Company, enforceable against the Company in accordance with their terms. The Company is duly qualified and is authorized to do business in each jurisdiction where such qualification and authorization is necessary, except where the failure to be so qualified could not have a Material Adverse Effect.
3. The Notes being purchased by you today have been duly authorized, executed and delivered by the Company and constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
4. No consent, approval or authorization of, or declaration, registration or filing with, any Kansas, Texas or Federal Governmental Authority is required to be obtained or made as a condition to the validity of the execution and delivery by the Company of the Note Purchase Agreement or the Notes.
5. It was not necessary in connection with the offering, sale and delivery of the Notes, under the circumstances contemplated by the Note Purchase Agreement, to register the Notes under the Securities Act of 1933, or the Texas Securities Act or to qualify an indenture in respect of the Notes under the Trust Indenture Act of 1939, as amended or to register the Notes under the Securities Exchange Act of 1934.
6. Each Subsidiary listed in Schedule 5.4 to the Note Purchase Agreement is a corporation or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, except where the failure to be so qualified, individually or in the aggregate, could not have a Material Adverse Effect.
7. Neither the Company nor any Subsidiary is subject to

regulation under the Investment Company Act of 1940, as amended, the Public Utility Holding Company Act of 1935, as amended, or the Federal Power Act, as amended.

8. None of the transactions contemplated by the Note Purchase Agreement (including without limitation the use of the proceeds from the sale of the Notes) will violate or result in a violation of Section 7 of the Exchange Act, or any regulations issued pursuant thereto, including without limitation Regulations G, T, U and X of the Board of Governors of the Federal Reserve System (12 CFR, Part 207, Part 220 and Part 224, respectively).

9. There are no actions, suits or proceedings pending, or to our knowledge threatened, against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority, except actions, suits or proceedings which (a) individually do not in any manner draw into question the validity of the Note Purchase Agreement or the Notes and (b) in the aggregate could not reasonably be expected to have a Material Adverse Effect.

10. Assuming the accuracy of the representations and warranties, and compliance with the covenants made by or on behalf of the Purchaser and the Beneficial Owner under the Note Purchase Agreement and the Notes, (i) each of the Notes meets the requirements of Section 871(h)(2)(B) or 881(c)(2)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) in the case of Notes beneficially owned by a nonresident alien individual, interest paid on the Notes will constitute "portfolio interest" as such term is defined in Section 871(h)(2) of the Code, and (iii) in the case of Notes beneficially owned by a foreign corporation, interest paid on the Notes will constitute "portfolio interest" as such term is defined in Section 881(c)(2) of the Code.

The opinions expressed above as to the enforceability of any agreement or instrument in accordance with its terms are subject to the exceptions that (a) such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the enforcement of creditors' rights generally and (ii) general equitable principles (regardless of whether such enforceability is considered in a proceeding in equity or at law), (b) the enforceability of indemnity provisions contained in the Note Purchase Agreement may be subject to limitations based upon public policy considerations.

We express no opinion as to Section 22.3 of the Note Purchase Agreement insofar as said Section relates to (a) the subject matter jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, the City of New York, to adjudicate any controversy relating to the Note Purchase Agreement, the Notes or any other document related thereto, or (b) the waiver of inconvenient forum with respect to proceedings in such court.

Our opinions are limited in all respects to the substantive law of the State of Texas and the Kansas General Corporation Code, and the federal law of the United States, and we assume no responsibility as to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction.

This opinion is given solely for your benefit, in connection with the closing held today of the transactions contemplated by the Note Purchase Agreement, and may not be relied upon by any other person for any purpose without our prior written consent.

Very truly yours,

WINSTEAD SECHREST & MINICK P.C.

MODIFICATION AND WAIVER
TO
NOTE PURCHASE AGREEMENT

This Modification and Waiver is entered into as of the 12th day of October, 1995, by and between ShowBiz Pizza Time, Inc., a Kansas corporation (the "Company"), and BFC Bank (Cayman) Ltd. ("BFC").

RECITALS:

(23) The Company and BFC have entered into a Note Purchase Agreement, dated as of October 10, 1995 (the "Note Purchase Agreement"), for the purchase of \$2,500,000 of the Company's Floating Rate Series C Notes by BFC.

(24) The Note Purchase Agreement contemplates the execution of Other Agreements, the purchase of other Notes, and the simultaneous closing of the Other Agreements and purchase of such other Notes.

(25) The Company and BFC desire to close the transactions contemplated by the Note Purchase Agreement regardless of whether any Other Purchaser executes the Other Agreements or purchases any Notes.

AGREEMENTS:

1. WAIVER. The Company and BFC each hereby waive any and all requirements, explicit or implicit, that (i) the Other Agreements be executed, and (ii) the Other Purchasers purchase the Notes listed on Schedule A.
2. FULL PERFORMANCE. Except with respect to the Other Agreements and the Other Purchasers, the Company and BFC each hereby agree to perform each covenant and requirement to be performed by such party to the other party under the Note Purchase Agreement under the same terms and conditions as if the Other Purchasers had executed the Other Agreements and purchased such other Notes, whether or not such Other Purchasers execute the Other Agreements or purchase such other Notes.
3. SALE OF OTHER NOTES. Nothing in this Modification and Waiver or the Note Purchase Agreement shall prevent or require the Company to sell any Notes to any person or entity other than BFC; provided, however, that if the Company sells any other Notes, it will only sell such other Notes upon terms and conditions substantially similar as those contained in the Note Purchase Agreement, except the initial LIBOR Rate may be different and continue to be different until the next Reset Date after the issuance and sale of such Notes; provided further that the aggregate principal amount of the Notes issued and sold by the Company under the Note Purchase Agreement and the Other Agreements shall not exceed U.S. \$5,000,000.
4. DEFINED TERMS. Unless the context indicates otherwise, all capitalized terms used herein without definition shall have the meaning ascribed thereto in the Note Purchase Agreement.

Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.
6. NO OTHER MODIFICATIONS. This Modification and Waiver has been entered into solely for purposes of modifying the terms and conditions of the Note Purchase Agreement with respect to executing and performing the Other Agreements and the sale of the Notes thereunder, and not amending or modifying any other provision of the Note Purchase Agreement in any respect. Except as expressly provided herein, the Note Purchase Agreement is not amended or modified and no provision have been waived in any respect, and it remains in full force and effect in accordance with its terms. Each holder of this Note will be deemed, by its acceptance hereof, to have agreed to the confidentiality provisions set forth in Section 20 of the Note Purchase Agreements.

Pursuant to the Note Purchase Agreements the Company is required to give written notice to the holder of this Note of the duration of each Interest Period for this Note, and of the applicable interest rate for such Interest Period as determined on the Reset Date (as defined in the Note Purchase Agreement) for such Interest Period. Floating Rate Series C Senior Notes due 1997

As of October 10, 1995

TO Neue Bank AG

Ladies and Gentlemen:

SHOWBIZ PIZZA TIME, INC., a Kansas corporation (the "Company"),
agrees with you as follows:

- (7) THE NOTES
- (8) Authorization of Notes.

The Company has duly authorized the issue and sale of up to \$5,000,000 aggregate principal amount of its Floating Rate Series C Senior Notes due 1997 (the "Series C Notes"), substantially in the respective forms set out in Exhibit 1.1(a). As used herein, the term "Notes" shall mean all notes originally delivered pursuant to this Agreement and the Other Agreements referred to below and all notes delivered in substitution or exchange for any such note and, where applicable, shall include the singular number as well as the plural. Certain capitalized terms used in this Agreement are defined in Schedule B; references to a "Schedule" or an "Exhibit" are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement. The

terms "Note", and "Series C Note" shall mean one of the Notes, and Series C Notes, respectively.

(b) Interest Rates on the Notes; Reset Procedures for Series C Notes.

(a) Series C Notes. Each Series C Note shall bear interest, payable quarterly on each Interest Payment Date in each year, at a rate per annum (computed on the basis of actual days elapsed and a year of 360 days) equal to 3.5% plus the LIBOR Rate for the Interest Period commencing on the date of the Closing (which shall be a period of six months), and from time to time thereafter at a rate per annum (so computed) equal to 3.5% plus the LIBOR Rate as in effect from time to time for the applicable Interest Period until the principal thereof shall become due and payable and shall bear interest on demand on any overdue principal or premium, if any, and on any overdue installment of interest at the default rate specified therein. If you are purchasing Series C Notes under this Agreement, at least one Business Day before the date of the Closing, the Company will give notice to you, specifying the initial LIBOR Rate, which shall be determined with respect to the date of the Closing as if that date were a Reset Date, and the resulting applicable interest rate on the Series C Notes for the Interest Period commencing on the date of the Closing.

The Company will give written notice to each Holder of a Series C Note at least three Business Days prior to each Reset Date (a "Reset Notice") specifying the duration of the Interest Period commencing on that Reset Date. If for any reason the Company fails to give a Reset Notice with respect to any Reset Date, the Interest Period commencing on such Reset Date shall be deemed a six-month period (or a three-month period in the case of the final Interest Period if the Reset Date is three months prior to the final maturity of the Series C Notes). On each Reset Date the Company shall determine the LIBOR Rate for the Interest Period then commencing and will give notice (by telephone or facsimile) to the Calculation Holder (by telephone or facsimile to such person as the Calculation Holder may from time to time specify for such purpose) specifying the LIBOR Rate as so determined. If for any reason the Calculation Holder, by notice to the Company (which notice shall be given within two Business Days after the Reset Date), objects to such determination, the LIBOR Rate as determined by the Calculation Holder shall be final and binding upon the Company absent manifest error. Forthwith and in any event within two Business Days after each Reset Date the Company will give written notice to the Holders of the Series C Notes specifying the LIBOR Rate and the resulting applicable interest rate on the Series C Notes for the Interest Period commencing on that Reset Date and stating whether the Calculation Holder determined (or confirmed the Company's determination of) the LIBOR Rate for that Interest Period. If for any reason neither the Company nor the Calculation Holder determines the LIBOR Rate for any Interest Period, the determination of the LIBOR Rate by any other Institutional Investor Holder of a Series C Note (acting in place of the Calculation Holder if necessary) and specified in a written notice to the Company shall be final and binding upon the Company and the Holders of the Series C Notes absent manifest error, provided that in case more than one such Institutional Investor Holder gives such a written notice and the LIBOR Rate in such notices is not the same rate, the LIBOR Rate shall be the rate agreed upon by such other Institutional Investor Holders as specified in a subsequent notice to the Company, which rate shall be final and binding as aforesaid.

(b) Certain Defined Terms and Procedures. For purposes of determining the applicable interest rate on the Series C Notes, the following terms have the following meanings (and certain matters will be determined in accordance with procedures as specified below):

"Calculation Holder" means the Institutional Investor holding the highest unpaid principal amount of Series C Notes at the time outstanding and willing to serve in such capacity.

"Designated Maturity" means for any Reset Date a period of three or six months, as the case may be, corresponding to the Interest Period commencing on such Reset Date.

"Interest Period" means a period commencing on and including the date of the Closing or a Reset Date, as the case may be, and ending on the Interest Payment Date that is three or six months

thereafter, as set forth in respect of the Interest Period commencing on the date of the Closing in Section 1.2(a) and as set forth in respect of each Reset Date in the Reset Notice for such period. Notwithstanding the foregoing if the Interest Payment Date in the appropriate month is not a Business Day such Interest Period shall be extended to the next day that is a Business Day and if there is no numerically corresponding date in the appropriate month, such Interest Period shall end on the last Business Day of such month.

"LIBOR Rate" means for the Interest Period commencing on the date of the Closing, the rate specified in notice from the Company given pursuant to Section 1.2(a); and means for any Reset Date the rate for deposits in U.S. Dollars for a period of the Designated Maturity which appears on the display designated as "Page 3750" on Telerate Access Service (or such other display as may replace Page 3750 on Telerate Access Service) as of 11:00 a.m., London time, on the date that is two London Banking Days preceding that Reset Date; and if such rate does not appear on Telerate Page 3750 (or such other display), the rate for that Reset Date will be determined on the basis of rates on which deposits in U.S. dollars are offered by the Reference Banks at approximately 11:00 a.m., London time, on the day that is two London Banking Days preceding that Reset Date to prime banks in the London interbank market for a period of the Designated Maturity commencing on that Reset Date and in a Representative Amount. The Company will cause the Calculation Holder to request the principal London office of each of the Reference Banks to provide a quotation of its rate. If at least two such quotations are provided, the rate for that Reset Date will be the arithmetic means of the quotations. If fewer than two quotations are provided as requested, the rate for that Reset Date will be the arithmetic mean of the rates quoted by major banks in New York City, selected by the Calculation Holder, at approximately 11:00 a.m., New York City time, on that Reset Date for loans in U.S. dollars to leading European banks for a period of the Designated Maturity commencing on that Reset Date and in a Representative Amount.

"London Banking Day" means any day other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in London, England.

"Reference Banks" means four major banks in the London interbank market.

"Representative Amount" means an amount that is comparable to the unpaid principal amount of the Series C Notes at the relevant time.

"Reset Date" means any Interest Payment Date corresponding to the first day of an Interest Period.

"Reset Notice" is defined in Section 1.2(a).

(c) Extension.

Upon notice to the Company by the Holder of any Note, given not less than ninety (90) nor more than one hundred twenty (120) days prior to each annual anniversary date of the Notes, the Holder may, at its sole and absolute discretion, elect to extend the maturity date on a Note for an additional year. If a Holder extends the maturity date of a Note, the Company shall, upon surrender of any such Note at the principal executive office of the Company, execute and deliver a new Note reflecting the extended maturity date in exchange therefor. Notwithstanding anything herein, no extension of the maturity of the Notes under this Section 1.3 shall extend the maturity of any of the Notes beyond October 10, 2000.

(d) Optional Redemption.

(a) The Company shall have the right, at its option, to redeem the Notes in whole or in part at any time and from time to time, as provided herein and in the Notes. At least 30 days but not more than 60 days before a Redemption Date, the Company shall mail a notice of redemption by first class mail to the Holder at such Holder's registered address.

Each notice for redemption shall identify the principal amount of the Note to be redeemed and shall state:

1. the Redemption Date;
2. the Redemption Price;
3. the name and address of the Paying Agent;
4. that the Note called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
5. that, unless the Company defaults in making the redemption payment, interest on the principal amount of the Notes called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Notes is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Notes redeemed;
6. if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date, and upon surrender of such Note, a new Note or Notes in aggregate principal amount equal to the unredeemed portion thereof will be issued; and
7. if fewer than all the Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption.

(b) Once notice of redemption is mailed in accordance with Section 1.4(a), Notes (or any part thereof) called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender to the Paying Agent, such Notes (or any part thereof) called for redemption shall be paid at the Redemption Price.

(c) On or before the Redemption Date, the Company shall deposit with the Paying Agent United States dollars sufficient to pay the Redemption Price of all Notes (or part thereof) to be redeemed on that date (other than Notes or any part thereof called for redemption on that date which have been delivered to the Paying Agent for cancellation). The Paying Agent shall promptly return to the Company any United States dollars so deposited which are not required for that purpose upon the written request of the Company.

(d) If the Company complies with the preceding paragraph, then, unless the Company defaults in the payment of such Redemption Price, interest on the Notes (or any part thereof) to be redeemed will cease to accrue on and after the applicable Redemption Date, whether or not such Notes are presented for payment.

(d) Upon surrender of a Note that is to be redeemed in part, the Company shall issue to the Holder, at the expense of the Company, a new Note or Notes equal in principal amount to the unredeemed portion of the Note surrendered.

(e) Withholding Taxes.

All payments by the Company of principal of and interest on the Notes are payable without deduction for or on account of any present or future taxes, duties or other charges levied or imposed by the United States of America or by the government of any jurisdiction outside the United States of America or by any political subdivision or taxing authority of or in any of the foregoing through withholding or deduction with respect to any such payments. If any such taxes, duties or other charges are so levied or imposed, the Company will pay additional interest or will make additional payments in such amounts so that every net payment of principal of and interest on the Notes, after withholding or deduction for or on account of any such present or future taxes, duties or other charges, will not be less than the amount provided for herein or therein, provided that the Company shall have no obligation to pay such additional amounts to any Holder to the extent that such taxes, duties, or other charges are levied or imposed by reason of the failure of such Holder to comply with the provisions of Section 1.6. The

Company shall furnish promptly to each Holder official receipts evidencing any such withholding or reduction.

(f) Withholding Tax Exemption for Obligations Targeted to Foreign Markets.

Each Holder agrees that it will deliver to the Company a certificate not more than 90 days prior to the first Interest Payment Date, and annually thereafter on January 15 of each year signed under oath (subject to penalty for perjury) by such Holder and certifying that (A) the beneficial owners of the Notes are foreign (non-U.S.) persons and have not been U.S. persons on any Interest Payment Date, (B) during all periods while the Holder holds the Notes, the beneficial owners of the Notes on each Interest Payment Date will not be a U.S. person, and (C) the Holder will provide a statement to the Company if the Notes are transferred to a U.S. Person, notifying the Company of such event. Such certificate shall be substantially in the form attached hereto as Exhibit 1.6, which form complies with the requirements of Treasury Regulation S 35a.999-5(b) (question and answer 14).

(8) SALE AND PURCHASE OF NOTES.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to you, as record holder on behalf of the Beneficial Owner, and you, as record holder on behalf of the Beneficial Owner, will purchase from the Company, at the Closing provided for in Section 3, Series C Notes in the principal amount or amounts specified opposite your name in Schedule A at the purchase price of 100% of the principal amount thereof, and in the aggregate principal amount of not more than Five Million Dollars (\$5,000,000). Contemporaneously with entering into this Agreement, the Company is entering into separate Note Purchase Agreements (the "Other Agreements") identical with this Agreement (except for the principal amounts of Notes to be purchased) with each of the other purchasers named in Schedule A (the "Other Purchasers"), providing for the sale at such Closing to each of the Other Purchasers of Notes in the principal amount or amounts specified opposite its name in Schedule A. Your obligation hereunder and the obligations of the Other Purchasers under the Other Agreements are several and not joint obligations and you shall have no obligation under any Other Agreement and no liability to any Person for the performance or non-performance by any Other Purchaser thereunder. The aggregate principal amount of Notes issued and sold by the Company under this Agreement and the Other Agreements shall not exceed U.S. \$5,000,000.

(9) CLOSING.

The sale and purchase of the Notes to be purchased by you and the Other Purchasers shall occur at the offices of Banque Financiere de la Cite, at 9:00 a.m., Dallas, Texas time, at a closing (the "Closing") on October 10, 1995 or on such other Business Day thereafter on or prior to October 24, 1995 as may be agreed upon by the Company and you and the Other Purchasers. At the Closing the Company will deliver to you the Notes to be purchased by you, as record holder on behalf of the Beneficial Owner, in the form of a single Note so to be purchased (or such greater number of Notes in denominations of at least U.S. \$100,000 as you may request) dated the date of the Closing and registered in your name (or in the name of your nominee), against delivery by you to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds (in U.S. Legal Tender) for the account of the Company to account number 501-33529 at Bank of Boston, Boston, Massachusetts, ABA# 011000390 (Attention: Frank D'Ulisse at 617-434-7996).

If at the Closing the Company shall fail to tender such Notes to you as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to your satisfaction, you shall, at your election, be relieved of all further obligations under this Agreement, without thereby waiving any rights you may have by reason of such failure or such nonfulfillment.

(10) CONDITIONS TO CLOSING.

Your obligation to purchase and pay for the Notes to be sold to you at the Closing is subject to the fulfillment to your satisfaction, prior to or at the Closing, of the following conditions:

(a) Representations and Warranties.

The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing.

(b) Performance; No Default.

The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof) no Default or Event of Default shall have occurred and be continuing.

(c) Compliance Certificates.

(a) Officer's Certificate. The Company shall have delivered to you an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) Secretary's Certificate. The Company shall have delivered to you a certificate of the Secretary or an Assistant Secretary of the Company certifying as to the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Notes and this Agreement and the Other Agreements.

(d) Opinions of Counsel.

You shall have received opinions in form and substance satisfactory to you, dated the date of the Closing and addressed to you and the Beneficial Owner from Marshall Fisco, Esq., Counsel of the Company, and Winstead Sechrest & Minick P.C., special counsel for the Company, substantially in the respective forms set forth in Exhibits 4.4(a) and 4.4(b) and covering such other matters incident to the transactions contemplated hereby as you or your counsel may reasonably request.

(e) Purchase Permitted By Applicable Law, etc.

On the date of the Closing your purchase of Notes as record holder on behalf of the Beneficial Owner shall (a) be permitted by the laws and regulations of each jurisdiction to which you and the Beneficial Owner are subject, (b) not violate any applicable law or regulation (including without limitation Regulation G, T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject you to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by you, you shall have received an Officer's Certificate certifying as to such matters of fact as you may reasonably specify to enable you to determine whether such purchase is so permitted.

(f) Sale of Notes to Other Purchasers.

The Company shall sell to the Other Purchasers and the Other Purchasers shall purchase the Notes to be purchased by them at the Closing as specified in Schedule A.

(g) Changes in Corporate Structure.

The Company shall not have changed its jurisdiction of incorporation or been a party to any merger or consolidation and shall not have succeeded to all or any substantial part of the liabilities of any other entity at any time following the date of the most recent financial statements referred to in Schedule 5.5. There has been no event, condition, or occurrence since December 31, 1994 which, individually or in the aggregate, has had a Material Adverse Effect and no condition exists or event has occurred, individually or in the aggregate, that could reasonably be expected to have a Material Adverse Effect.

(h) Proceedings and Documents.

All corporate and other proceedings in connection with the

transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to you and your special counsel, and you and your special counsel shall have received all such counterpart originals or certified or other copies of such documents as you or they may reasonably request.

(11) REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to you that the following are true and correct as of the date hereof and will be true and correct through the date of the Closing as if made on such date.

(a) Organization; Power and Authority.

The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Other Agreements and the Notes and to perform the provisions hereof and thereof.

(b) Authorization, etc.

This Agreement and the Other Agreements and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) Disclosure.

This Agreement, the documents, certificates or other writings delivered to you by or on behalf of the Company in connection with the transactions contemplated hereby and described in Schedule 5.3 (the "Disclosure Documents"), and the financial statements listed in Schedule 5.5, taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Since December 31, 1994, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Subsidiary except as disclosed in the Disclosure Documents or in the financial statements listed in Schedule 5.5 and other changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents. Any projections provided by the Company in the Disclosure Documents are based on assumptions which management of the Company believes to be reasonable.

(d) Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of the Company's (i) Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, (ii) Affiliates, other than Subsidiaries, and (iii) directors and senior officers.

(b) All of the outstanding shares of capital stock or similar

equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien (except as otherwise disclosed in Schedule 5.4).

(c) Each Subsidiary identified in Schedule 5.4 is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is a party to, or otherwise subject to any legal restriction or any agreement (other than this Agreement, the agreements listed in Schedule 5.4 and customary limitations imposed by corporate law statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

(e) Financial Statements.

The Company has delivered to you copies of the financial statements of the Company and its Subsidiaries listed in Schedule 5.5. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments made in accordance with GAAP).

(f) Compliance with Laws, Other Instruments, etc.

The execution, delivery and performance by the Company of this Agreement and the Notes will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

(g) Governmental Authorizations, etc.

No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required for the validity of the execution, delivery or performance by the Company of this Agreement or the Notes. Specifically, and without limitation of the foregoing, no registration of the Notes is required under the Securities Act, the Securities Exchange Act, or the Texas Securities Act, and no indenture with respect to the Notes is required to be qualified under the Trust Indenture Act of 1939.

(h) Litigation; Observance of Agreements, Statutes and Orders.

(a) Except as disclosed in Schedule 5.8, there are no actions, suits or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any

arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Subsidiary is in default under any term of any agreement or instrument to which it is a party or by which it is bound, or any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or is in violation of any applicable law, ordinance, rule or regulation (including without limitation Environmental Laws) of any Governmental Authority, which default or violation, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(i) Taxes

The Company and its Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (a) currently payable without penalty or interest, (b) the amount of which is not individually or in the aggregate Material or (c) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that individually or in the aggregate might be Material. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of Federal, state or other taxes for all fiscal periods are adequate. The Federal income tax liabilities of the Company and its Subsidiaries have been determined by the Internal Revenue Service and paid for all fiscal years up to and including the fiscal year ended December 31, 1993.

(j) Title to Property; Leases.

The Company and its Subsidiaries have good and marketable title to their respective real properties and good and sufficient title to their respective other properties that individually or in the aggregate are Material, including all such properties reflected in the most recent audited balance sheet listed on Schedule 5.5 or purported to have been acquired by the Company or any Subsidiary after said date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens other than the Liens disclosed on Schedule 5.15. All leases that individually or in the aggregate are Material are valid and subsisting and are in full force and effect in all material respects.

(k) Licenses, Permits, etc.

Except as disclosed in Schedule 5.11,

(a) the Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others;

(b) to the best knowledge of the Company, no product of the Company infringes in any material respect any license, permit, franchise, authorization, patent, copyright, service mark, trademark, trade name or other right owned by any other Person; and

(c) to the best knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of its Subsidiaries with respect to any patent, copyright, service mark, trademark, trade name or other right owned or used by the Company or any of its Subsidiaries.

(l) Compliance with ERISA.

(a) The Company and each ERISA Affiliate have operated and

administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in Section 3 of ERISA), and no event, transaction or condition has occurred or exists that could reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to Section 401(a)(29) or 412 of the Code, other than such liabilities or Liens as would not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans), determined as of the end of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities. The term "benefit liabilities" has the meaning specified in section 4001 of ERISA and the terms "current value" and "present value" have the meaning specified in section 3 of ERISA.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

In addition to the payment of the entire unpaid principal amount of the Notes at the final maturity thereof, the Company will make required prepayments in respect of the Notes, and under certain circumstances may be required to offer to prepay all Notes, as hereinafter provided.

(a) Prepayment in Connection with a Change of Control.

Promptly and in any event within five Business Days after the occurrence of a Change of Control, the Company will give written notice thereof to the Holders of all outstanding Notes, which notice shall (a) refer specifically to this Section 8.1, (b) describe the Change of Control in reasonable detail and specify the Change of Control Prepayment Date and the Response Date (as respectively defined below) in respect thereof, and (c) offer to prepay all Notes at the Redemption Price on the date therein specified (the "Change of Control Prepayment Date"), which shall be not less than 10 nor more than 30 days after the date of such notice is given. In the event that the Company shall fail to give any notice required above within five Business Days after being requested to do so by the Holder of any Note, such Holder may give such notice (with a copy thereof to the Company), which notice shall have the same effect as if given by the Company. Each Holder of a Note will notify the Company of such Holder's acceptance or rejection of such offer by giving written notice of such acceptance or rejection to the Company at least five days prior to the Change of Control Prepayment Date (the "Response Date"), except that the failure by any such Holder to respond in writing to such offer on or before the Response Date shall be deemed to be an acceptance of such offer by such Holder in respect of such Change of Control. The Company shall prepay on the Change of Control Prepayment Date all of the Notes held by the Holders as to which such offer has been so accepted, at the Redemption Price. If any Holder shall reject such offer, such Holder shall be deemed to have waived its rights under this Section 8.1 to require prepayment of all Notes held by such Holder in respect of such Change of Control but not in respect of any subsequent Change of Control.

If the Change of Control Prepayment Date does not occur on the last day of an Interest Period, the Company shall also pay each Holder of a Series C Note then being prepaid an amount equal to the LIBOR Funding Loss Amount with respect to such Series C Note, as specified by written notice given by the Holder of such Series C Note at least two Business Days prior to the Change of Control Prepayment Date (or, if such notice is subsequently given by such Holder, within two Business Days after receipt of such notice by the Company). The obligation of the Company to pay such LIBOR Funding Loss Amount with respect to the prepayment of any Series C Note pursuant to this Section 8.1 shall survive the prepayment of such Series C Note and the termination of this Agreement.

(b) Allocation of Partial Prepayments.

In the case of each partial prepayment of the Notes, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof.

(c) Maturity; Surrender, etc.

In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

(d) Purchase or Optional Redemption of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to a notice of optional redemption pursuant to Section 1.4 hereof made by the Company or any such Affiliate to the Holders of all Notes at the time outstanding to redeem Notes on the same terms and conditions, pro rata among all Notes tendered.

Any Notes so repurchased or redeemed shall immediately upon acquisition thereof be cancelled and no Notes shall be issued in substitution or exchange therefor, except as provided in Section 1.4.

Promptly and in any event within five Business Days after each such purchase or redemption of Notes, the Company will furnish each Holder of the Notes with a certificate of a Senior Financial Officer describing such purchase (including the aggregate principal amount of Notes so purchased and the purchase price therefor) and certifying that such purchase was made in compliance with the requirements of this Section.

(e) Corporate Existence, etc.

The Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Sections 10.5 and 10.6, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Subsidiary) and all rights and franchises (as franchises) of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, have a Material Adverse Effect.

(f) Lines of Business.

The Company and its Subsidiaries will remain engaged solely in the business of owning and operating family restaurant/entertainment centers, and other businesses directly related thereto.

(ii) the aggregate net book value of property or assets disposed of in each such Asset Sale and all other Asset Sales by the Company and its Subsidiaries (A) during the immediately preceding twelve months does not exceed 5% of Consolidated Capitalization and (B) during the period from the date of the Closing to and including the effective date of such proposed Asset Sale does not exceed 10% of Consolidated Capitalization (in each case determined as of the last day of the quarterly accounting period ending on or most recently prior to the effective date of such proposed Asset Sale), and

such Asset Sales in the aggregate shall not involve a substantial number of Chuck E. Cheese's restaurants (except in connection with closings in the ordinary course of business) or any intangible assets related to Chuck E. Cheese's restaurants generally,

and provided further that for purposes of clause (ii) above there shall be excluded the net book value of property or assets disposed of in an Asset Sale if and to the extent such Asset Sale is made for cash, payable in full upon the completion of such Asset Sale, and an amount equal to the net proceeds realized upon such Asset Sale is applied by the Company or such Subsidiary, as the case may be, within one year after the effective date of such Asset Sale (x) to reinvest in similar categories of property or assets for use in the business of the Company and its Subsidiaries (but not in a transaction Permitted by Section 10.1(a)(ii)) or (y) to repay Indebtedness (which may, at the sole option of the Company, include the purchase of Notes pursuant to an offer to purchase Notes pursuant to Section 8.4).

For purposes of this Section 10.3 any shares of Voting Stock of a Subsidiary that are the subject of an Asset Sale shall be valued at the greater of (1) the fair market value of such shares as determined in good faith by the Board of Directors of the Company and (2) the aggregate net book value of the assets of such Subsidiary multiplied by a fraction of which the numerator is the aggregate number of shares of Voting Stock of such Subsidiary disposed of in such Asset Sale and the denominator is the aggregate number of shares of Voting Stock of such Subsidiary outstanding immediately prior to such Asset Sale.

(d) Merger, Consolidation, etc.

The Company will not and will not permit any Subsidiary to

consolidate with or merge with any other corporation or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person except:

(a) a Subsidiary may consolidate with or merge with, convey or transfer all or substantially all of its assets to

the Company (provided that the Company shall be the continuing or surviving corporation) or a then existing Wholly-Owned Subsidiary, or

any Person in an Asset Sale involving all of the outstanding stock or all or substantially all of the assets of such Subsidiary, in either case subject to the limitations of Section 10.3 and to the further requirement that such Subsidiary does not at the time of such Asset Sale own, directly or indirectly, any shares of capital stock or any Indebtedness of any other Subsidiary not simultaneously being sold as part of such Asset Sale; and

(b) the Company may consolidate with or merge with any other corporation or convey or transfer all or substantially all of its assets to a solvent corporation organized and existing under the laws of the United States or any state thereof, provided that

(c) if the Company is not the continuing, surviving or acquiring corporation (the "surviving corporation"), the surviving corporation shall have (A) executed and delivered to each Holder of a Note its assumption (pursuant to documentation in form and substance reasonably satisfactory to the Required Holders) of the due and punctual performance and observance of all obligations of the Company under this Agreement, the Other Agreements and the Notes and (B) caused to be delivered to each Holder of a Note an opinion of counsel reasonably satisfactory to the Required Holders to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof, and

immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing and, if applicable, the Company shall have given any notice required in connection with such transaction under Section 8.1.

No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation that shall theretofore have become such in the manner prescribed in this Section 10.4 from its liability under this Agreement or the Notes.

(e) Subsidiary Indebtedness.

The Company will not permit any Subsidiary to create, assume incur, guarantee or otherwise become liable in respect of any Indebtedness except

(a) Indebtedness securing Liens permitted by clause (i), (ii) or (iii) of Section 10.1(a), and

(b) Indebtedness of a Wholly-Owned Subsidiary owing to the Company or another Wholly-Owned Subsidiary.

For purposes of this Section 10.5, a Subsidiary shall be deemed to have incurred Indebtedness in respect of any obligation previously owed to the Company or to a Wholly-Owned Subsidiary on the date the obligee ceases for any reason to be the Company or a Wholly-Owned Subsidiary and a Person that hereafter becomes a Subsidiary shall be deemed at that time to have incurred all of its outstanding Indebtedness.

(f) Transactions with Affiliates.

The Company will not and will not permit any Subsidiary to enter into directly or indirectly any transaction or Material group of related transactions (including without limitation the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except in the ordinary course and pursuant to the reasonable requirements of the

Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

(17) EVENTS OF DEFAULT.

An "Event of Default" shall exist if any of the following conditions or events shall occur and be continuing:

(a) the Company defaults in the payment of any principal or premium on any Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise; or

(b) the Company defaults in the payment of any interest on any Note for more than five Business Days after the same becomes due and payable; or

(e) any representation or warranty made in writing by or on behalf of the Company or by any officer of the Company in this Agreement or in any writing furnished in connection with the transactions contemplated hereby proves to have been false or incorrect in any material respect on the date as of which made; or

(f) the Company or any Subsidiary (i) is generally not paying, or admits in writing its inability to pay, its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy, insolvency, reorganization, moratorium or other similar law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, (v) is adjudicated as insolvent or to be liquidated, or (vi) takes corporate action for the purpose of any of the foregoing; or

(18) REMEDIES ON DEFAULT, ETC.

(a) Acceleration.

If any Event of Default has occurred and is continuing, the Required Holders of the Notes may at any time at its or their option, by

notice or notices to the Company, declare all the Notes at the time outstanding to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon and the LIBOR Funding Loss Amount for each Series C Note (in each case to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived.

(b) Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the Holder of any Note at the time outstanding may proceed to protect and enforce the rights of such Holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

(c) Rescission.

At any time after any Notes have been declared due and payable pursuant to Section 12.1, the Required Holders by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the respective default rates specified in the Notes, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

(d) No Waivers or Election of Remedies, Expenses, etc.

No course of dealing and no delay on the part of any Holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such Holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any Holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the Holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such Holder incurred in any enforcement or collection under this Section 12, including without limitation reasonable attorneys' fees, expenses and disbursements.

(19) REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

(a) Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each Holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and Holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any Holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all

registered Holders of Notes.

(b) Transfer and Exchange of Notes.

Upon surrender of any Note at the principal executive office of the Company for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by the registered Holder of such Note or his attorney duly authorized in writing and accompanied by the address for notices of each transferee of such Note or part thereof), the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the Holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such Holder may request. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a Holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000.

You agree that the Company shall not be required to register the transfer of any Note to any Person (other than your nominee) or to any separate account maintained by you unless the Company receives from the transferee a representation to the Company (and appropriate information as to any separate accounts or other matters) to the same or similar effect with respect to the transferee as is contained in Section 6.2. You shall not be liable for any damages in connection with any such representations or assurances provided to the Company by any transferee.

(c) Replacement of Notes.

Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the Holder of such Note is, or is a nominee for, an original Purchaser or any other Institutional Investor, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

(20) PAYMENTS ON NOTES.

(a) Place of Payment.

Subject to Section 14.2, payments of principal, premium, if any, and interest becoming due and payable on the Notes shall be made in the State of Texas at the principal office of the Company in such jurisdiction. The Company may at any time, by notice to each Holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

(b) Home Office Payment.

So long as you or your nominee shall be the Holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note

for principal and interest by the method and at the address specified for such purpose below your name in Schedule A, or by such other method or at such other address as you shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, you shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by you or your nominee you will, at your election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by you under this Agreement and that has made the same agreement relating to such Note as you have made in this Section 14.2.

(21) EXPENSES, ETC.

(a) Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys and, if reasonably required, local or other counsel) incurred by you and each Other Purchaser or Holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a Holder of any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will pay, and will save you and each other Holder of a Note harmless from, all claims in respect of any fees, costs or expenses if any, of brokers and finders (other than those retained by you).

(b) LIBOR Funding Losses.

The Company will pay each Holder of a Series C Note, within two Business Days after demand therefor, such amount (the "LIBOR Funding Loss Amount") as in the good faith determination by such Holder will compensate such Holder for any loss or reasonable expense such Holder may sustain as a consequence of the receipt or recovery for any reason (including without limitation a prepayment pursuant to Section 8.1 or acceleration pursuant to Section 12.1) of all or any part of payment on account of such Series C Note prior to the last day of the applicable Interest Period therefor, including without limitation any loss or expense sustained or incurred in liquidating a Swap or any loss of margin on reemployment of the funds so received or recovered.

(c) Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

(22) SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by you of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent Holder of a Note, regardless of any investigation made at any time by or on behalf of you or any other Holder of a Note. All statements contained in any certificate or other instrument delivered by or on

behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between you and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

(23) AMENDMENT AND WAIVER.

(a) Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21, or any defined term (as it is used therein), will be effective as to you unless consented to by you in writing, and (b) no such amendment or waiver may, without the written consent of the Holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or change the rate or the time of payment or method of computation of interest on, the Notes, (ii) change the percentage of the principal amount of the Notes the Holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

(b) Solicitation of Holders of Notes.

(a) Solicitation. The Company will provide each Holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each Holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any Holder of Notes as consideration for or as an inducement to the entering into by any Holder of Notes or any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms (or no less favorable terms taking into account differences in the terms of the Notes), ratably to each Holder of Notes then outstanding even if such Holder did not consent to such waiver or amendment.

(c) Binding Effect, etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all Holders of Notes and is binding upon them and upon each future Holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the Holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any Holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

(d) Notes held by Company, etc.

Solely for the purpose of determining whether the Holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to

be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the Holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

(24) NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

if to you or your nominee, to you or it at the address specified for such communications in Schedule A, or at such other address as you or it shall have specified to the Company in writing,

(25) REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by you at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to you, may be reproduced by you by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and you may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by you in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other Holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

(26) CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "Confidential Information" means information delivered to you by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by you as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to you prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by you or any person acting on your behalf, (c) otherwise becomes known to you other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to you under Section 7.1 that are otherwise publicly available. Each Holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any Holder of a Note of information required to be delivered to such Holder under this Agreement or requested by such Holder (other than a Holder that is a party to this Agreement or its nominee), such Holder will enter into an agreement with the Company embodying the provisions of this Section 20.

(27) SUBSTITUTION OF PURCHASER.

You shall have the right to substitute any one of your non-United States Affiliates as the purchaser of the Notes that you have agreed to purchase as record holder on behalf of the Beneficial Owner hereunder, by written notice to the Company, which notice shall be signed by both you and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall be deemed to refer to such Affiliate in lieu of you. In the event that such Affiliate is so substituted as a purchaser hereunder and such Affiliate thereafter transfers to you all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall no longer be deemed to refer to such Affiliate, but shall refer to you, and you shall have all the rights of an original Holder of the Notes under this Agreement.

All capitalized terms used herein without definition shall have the meanings ascribed thereto in the Note Purchase Agreement.

In my capacity as in-house counsel to the Company and its subsidiaries, I have participated in the preparation of the Agreement and the exhibits and other documents referred to therein. I have examined such corporate documents and records of the Company and its subsidiaries, certificates of public officials and other certificates, opinions and instruments and have made such other investigations as I have deemed necessary or advisable as a basis for the opinions hereinafter expressed.

In my examination I have assumed the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified or photostatic copies and the authenticity of the originals of such latter documents. The execution and delivery by the Company of the Note Purchase Agreement and the performance by the Company of the transactions to be consummated by the Company described therein including the issuance of the Note do not conflict with or constitute on the part of the Company a breach or a violation of any of the terms and provisions of, or constitute (with due notice or lapse of time or both) a default under the Articles of the Company or Bylaws of the Company or of any indenture, agreement, order, writ, judgment or decree known to me to which the Company is a party or by which it or any of its properties are bound.

6. To the best of my knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity by or before any court or any Government Authority or public board or body pending or threatened against or affecting the Company or any subsidiary or any of its properties wherein an unfavorable decision, ruling or finding (a) would adversely affect the validity or enforceability of the Note Purchase Agreement or the Notes, (b) might result in any materially adverse change in the operations, properties, assets, liabilities or financial condition of the Company, or (c) would otherwise adversely affect the capability of the Company to comply with its obligations under the Note Purchase Agreement.

My opinion is limited solely to the laws of the State of Texas and the Kansas General Corporation Code, and the laws of the United States of America in effect on the date hereof, and no opinion is expressed herein as to any matters governed by the laws of any other jurisdictions.

the Beneficial Owner

Ladies and Gentlemen:

We have acted as special counsel to ShowBiz Pizza Time, Inc. (the

"Company") in connection with the issuance by the Company of its Floating Rate Series C Senior Notes due 1997 in an aggregate principal amount of \$5,000,000 (the "Series C Notes" or the "Notes") and the purchases by you pursuant to the Note Purchase Agreement made by Purchaser with the Company under date of October 10, 1995 (the "Note Purchase Agreement") of Notes in the respective aggregate principal amounts specified in Schedule A to the Note Purchase Agreement. All capitalized terms used herein without definition shall have the meanings ascribed thereto in the Note Purchase Agreement.

We have examined such corporate records of the Company and its Subsidiaries, agreements and other instruments, certificates of officers and representatives of the Company and its Subsidiaries, certificates of public officials, and such other documents, as we have deemed necessary in connection with the opinions hereinafter expressed. In such examination we have assumed the genuineness of all signatures, the authenticity of documents submitted to us as originals and the conformity with the authentic originals of all documents submitted to us as copies. As to questions of fact material to such opinions we have, when relevant facts were not independently established, relied upon the representations set forth in the Note Purchase Agreement and upon certifications by officers or other representatives of the Company and its Subsidiaries.

Based upon the foregoing and having regard for legal considerations that we deem relevant, we render our opinion to you pursuant to Section 4.4 of the Note Purchase Agreement as follows:

1. The Company is a corporation duly organized and validly existing under the laws of the State of Kansas and has all requisite power to execute and deliver the Note Purchase Agreement and the Notes and to perform its obligations thereunder.
2. The Note Purchase Agreement has been duly authorized, executed and delivered by the Company and constitute legal, valid and binding agreements of the Company, enforceable against the Company in accordance with their terms. The Company is duly qualified and is authorized to do business in each jurisdiction where such qualification and authorization is necessary, except where the failure to be so qualified could not have a Material Adverse Effect.
3. The Notes being purchased by you today have been duly authorized, executed and delivered by the Company and constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
4. No consent, approval or authorization of, or declaration, registration or filing with, any Kansas, Texas or Federal Governmental Authority is required to be obtained or made as a condition to the validity of the execution and delivery by the Company of the Note Purchase Agreement or the Notes.
5. It was not necessary in connection with the offering, sale and delivery of the Notes, under the circumstances contemplated by the Note Purchase Agreement, to register the Notes under the Securities Act of 1933, or the Texas Securities Act or to qualify an indenture in respect of the Notes under the Trust Indenture Act of 1939, as amended or to register the Notes under the Securities Exchange Act of 1934.
6. Each Subsidiary listed in Schedule 5.4 to the Note Purchase Agreement is a corporation or other entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, except where the failure to be so qualified, individually or in the aggregate, could not have a Material Adverse Effect.
7. Neither the Company nor any Subsidiary is subject to regulation under the Investment Company Act of 1940, as amended, the Public Utility Holding Company Act of 1935, as amended, or the

Federal Power Act, as amended.

8. None of the transactions contemplated by the Note Purchase Agreement (including without limitation the use of the proceeds from the sale of the Notes) will violate or result in a violation of Section 7 of the Exchange Act, or any regulations issued pursuant thereto, including without limitation Regulations G, T, U and X of the Board of Governors of the Federal Reserve System (12 CFR, Part 207, Part 220 and Part 224, respectively).

9. There are no actions, suits or proceedings pending, or to our knowledge threatened, against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority, except actions, suits or proceedings which (a) individually do not in any manner draw into question the validity of the Note Purchase Agreement or the Notes and (b) in the aggregate could not reasonably be expected to have a Material Adverse Effect.

10. Assuming the accuracy of the representations and warranties, and compliance with the covenants made by or on behalf of the Purchaser and the Beneficial Owner under the Note Purchase Agreement and the Notes, (i) each of the Notes meets the requirements of Section 871(h)(2)(B) or 881(c)(2)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) in the case of Notes beneficially owned by a nonresident alien individual, interest paid on the Notes will constitute "portfolio interest" as such term is defined in Section 871(h)(2) of the Code, and (iii) in the case of Notes beneficially owned by a foreign corporation, interest paid on the Notes will constitute "portfolio interest" as such term is defined in Section 881(c)(2) of the Code.

The opinions expressed above as to the enforceability of any agreement or instrument in accordance with its terms are subject to the exceptions that (a) such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the enforcement of creditors' rights generally and (ii) general equitable principles (regardless of whether such enforceability is considered in a proceeding in equity or at law), (b) the enforceability of indemnity provisions contained in the Note Purchase Agreement may be subject to limitations based upon public policy considerations.

We express no opinion as to Section 22.3 of the Note Purchase Agreement insofar as said Section relates to (a) the subject matter jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, the City of New York, to adjudicate any controversy relating to the Note Purchase Agreement, the Notes or any other document related thereto, or (b) the waiver of inconvenient forum with respect to proceedings in such court.

Our opinions are limited in all respects to the substantive law of the State of Texas and the Kansas General Corporation Code, and the federal law of the United States, and we assume no responsibility as to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction.

This opinion is given solely for your benefit, in connection with the closing held today of the transactions contemplated by the Note Purchase Agreement, and may not be relied upon by any other person for any purpose without our prior written consent.

Very truly yours,

WINSTEAD SECHREST & MINICK P.C.

MODIFICATION AND WAIVER
TO
NOTE PURCHASE AGREEMENT

This Modification and Waiver is entered into as of the 24th day of October, 1995, by and between ShowBiz Pizza Time, Inc., a Kansas corporation (the "Company"), and Neue Bank AG ("Neue").

RECITALS:

(1) The Company and Neue have entered into a Note Purchase Agreement, dated as of October 10, 1995 (the "Note Purchase Agreement"), for the purchase of \$2,500,000 of the Company's Floating Rate Series C Notes by Neue.

(2) The Note Purchase Agreement contemplates the execution of Other Agreements, the purchase of other Notes, and the simultaneous closing of the Other Agreements and purchase of such other Notes.

(3) The Company and Neue desire to close the transactions contemplated by the Note Purchase Agreement regardless of whether any Other Purchaser executes the Other Agreements or purchases any Notes.

AGREEMENTS:

1. WAIVER. The Company and Neue each hereby waive any and all requirements, explicit or implicit, that (i) the Other Agreements be executed, and (ii) the Other Purchasers purchase the Notes listed on Schedule A.
2. FULL PERFORMANCE. Except with respect to the Other Agreements and the Other Purchasers, the Company and Neue each hereby agree to perform each covenant and requirement to be performed by such party to the other party under the Note Purchase Agreement under the same terms and conditions as if the Other Purchasers had executed the Other Agreements and purchased such other Notes, whether or not such Other Purchasers execute the Other Agreements or purchase such other Notes.
3. SALE OF OTHER NOTES. Nothing in this Modification and Waiver or the Note Purchase Agreement shall prevent or require the Company to sell any Notes to any person or entity other than Neue; provided, however, that if the Company sells any other Notes, it will only sell such other Notes upon terms and conditions substantially similar as those contained in the Note Purchase Agreement, except the initial LIBOR Rate may be different and continue to be different until the next Reset Date after the issuance and sale of such Notes; provided further that the aggregate principal amount of the Notes issued and sold by the Company under the Note Purchase Agreement and the Other Agreements shall not exceed U.S. \$5,000,000.
4. DEFINED TERMS. Unless the context indicates otherwise, all capitalized terms used herein without definition shall have the meaning ascribed thereto in the Note Purchase Agreement.
5. COUNTERPARTS. This Modification and Waiver may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.
6. NO OTHER MODIFICATIONS. This Modification and Waiver has been entered into solely for purposes of modifying the terms and conditions of the Note Purchase Agreement with respect to executing

and performing the Other Agreements and the sale of the Notes thereunder, and not amending or modifying any other provision of the Note Purchase Agreement in any respect. Except as expressly provided herein, the Note Purchase Agreement is not amended or modified and no provision have been waived in any respect, and it remains in full force and effect in accordance with its terms. All of the terms and provisions of the Note Purchase Agreement and all the terms and provisions incorporated therein are hereby incorporated herein by this reference.

BENEFICIAL OWNERSHIP OF THIS NOTE MAY ONLY BE TRANSFERRED TO A PERSON WHO IS NOT A RESIDENT OR CITIZEN OF THE UNITED STATES OF AMERICA, OR TO A BANK, OR OTHER INSTITUTION OR ENTITY WHICH IS NOT INCORPORATED OR ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA OR ANY STATE THEREOF. THIS NOTE WAS OFFERED FOR SALE IN CONNECTION WITH ITS ORIGINAL ISSUANCE ONLY OUTSIDE THE UNITED STATES AND HAS BEEN DELIVERED TO THE HOLDER OUTSIDE THE UNITED STATES.

FOR VALUE RECEIVED, the undersigned, SHOWBIZ PIZZA TIME, INC. (the "Company"), a Kansas corporation, hereby promises to pay to NEUE BANK, AG, or registered assigns, the principal amount of TWO MILLION FIVE HUNDRED THOUSAND DOLLARS on October 12, 1997, with interest (computed on the basis of actual days elapsed and a year of 360 days) (a) from the date hereof on the unpaid balance thereof, payable quarterly on each Interest Payment Date (as below defined), at a rate per annum for each Interest Period (as defined in the Note Purchase Agreements referred to below) equal to 3.5% plus the LIBOR Rate (as so defined) as determined in respect of such Interest Period pursuant to said Note Purchase Agreements, until the principal hereof shall have become due and payable, and (b) on any overdue payment of principal or (to the extent permitted by applicable law) interest, payable quarterly as aforesaid (or, at the option of the registered holder hereof, on demand) at a rate per annum from time to time equal to 2% above the interest rate then applicable to this Note, from the date of such default to and including the last day of the Interest Period during which such default occurs and thereafter at a rate per annum equal to 5.5% above said LIBOR Rate (as so determined from time to time on the basis of three-month Interest Periods).

The LIBOR Rate for the six-month Interest Period commencing on the date of this Note is 5.9375%.

As used herein the term "Interest Payment Date" means each March 31, June 30, September 30 and December 31, beginning December 31, 1995.

Payments of principal of, interest on and any premium with respect to this Note are to be made in lawful money of the United States of America at the principal office of Neue Bank, AG in Liechtenstein, or at such other place outside the United States as the Company shall have designated by written notice to the holder of this Note as provided in the Note Purchase Agreements referred to below.

This Note is one of a series of Senior Notes issued pursuant to separate Note Purchase Agreements dated as of October 10, 1995 (as from time to time amended, the "Note Purchase Agreements") between the Company and the respective Purchasers named therein and is entitled to the benefits thereof. Each holder of this Note will be deemed, by its acceptance hereof, to have agreed to the confidentiality provisions set forth in Section 20 of the Note Purchase Agreements.

Pursuant to the Note Purchase Agreements the Company is required to give written notice to the holder of this Note of the duration of each Interest Period for this Note, and of the applicable interest rate for such Interest Period as determined on the Reset Date (as defined in the Note Purchase Agreement) for such Interest

Period. The applicable LIBOR Rate and interest rate and duration of such Interest Period for this Note shall be endorsed by the holder of this Note on the schedule attached hereto or any continuation thereof prior to any transfer of this Note.

This Note is a registered Note and, as provided in the Note Purchase Agreements, upon surrender of this Note for registration of transfer duly endorsed, or accompanied by a written instrument of transfer duly executed, by the registered holder hereof or such holder's attorney duly authorized in writing, a new note for a like principal amount will be issued to, and registered in the name of, the transferee, provided that record ownership may only be transferred to a bank or other entity which meets the requirements of Section 6.5 of the Note Purchase Agreement. Prior to due presentment for registration of transfer, the Company may treat the person in whose name this Note is registered as the owner hereof for the purpose of receiving payment and for all other purposes, and the Company will not be affected by any notice to the contrary.

This Note may be redeemed at the option of the Company, at any time in whole or from time to time in part, for an amount equal to the then unpaid principal amount of this Note, plus accrued and unpaid interest (if any) to the date of redemption (subject to the rights of holders of record on the relevant record date to receive interest due on the relevant interest payment date). Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to the holder of this Note at such holder's registered address. Except as set forth in the Note Purchase Agreements, from and after any redemption date, if monies for the redemption shall have been deposited with the Paying Agent for redemption on such redemption date, then, unless the Company defaults in the payment of such redemption price, principal amount called for redemption will cease to bear interest and the only right of the holders as to such principal amount will be to receive payment of the redemption price.

The Company is also required under circumstances described in the Note Purchase Agreements to offer to prepay all Notes on the terms specified in the Note Purchase Agreements.

If an Event of Default, as defined in the Note Purchase Agreements, occurs and is continuing, the principal of this Note may be declared or otherwise become due and payable in the manner, at the price and with the effect provided in the Note Purchase Agreements.

(b) The failure by Borrower to perform any of its obligations, except the payment of principal and interest, arising under the Note, this Agreement or any other agreement between Borrower and Lender within five (5) days after written notice of such failure; or

(c) The filing by or against the Borrower of a voluntary or involuntary proceeding seeking liquidation, reorganization or

ENTERTAINMENT OPERATING FUND
PROMISSORY NOTE

\$750,000.00 Irving, Texas Dated as of _____, 1994

FOR VALUE RECEIVED, the undersigned INTERNATIONAL ASSOCIATION OF SHOWBIZ PIZZA TIME RESTAURANTS, INC. ("Borrower"), a Texas corporation, promises to pay to SHOWBIZ PIZZA TIME, INC. ("Lender"), a Kansas corporation, (hereinafter collectively referred to as "Parties"), the principal sum of SEVEN HUNDRED AND FIFTY THOUSAND AND NO/100 DOLLARS (\$750,000.00), or so much thereof as may from time to time be advanced, together with interest accrued on the unpaid principal balance hereof as set forth below.

1. Interest Rate. The unpaid principal amount hereof from time to time outstanding from the date hereof until maturity shall bear interest at a fluctuating rate per annum equal to the Prime Rate plus 0.5% (as herein defined), changing automatically, without notice to the Borrower, effective as of the effective date of any change in the Prime Rate. Interest shall be calculated at the end of each of Lender's monthly accounting periods (which will not correspond with calendar months due to Lender's 52 week fiscal year) based on the average between the principal amounts outstanding and unpaid at the beginning of the monthly accounting period and at the end of such period, but shall be charged and collected based on the actual number of days elapsed. The term "Prime Rate" as used herein means the higher of (a) the annual rate of interest announced from time to time by the First National Bank of Boston at its head office in Boston, Massachusetts as its "base rate" and (b) the overnight federal funds effective rate as published by the Board of Governors of the Federal Reserve System as in effect from time to time plus one half of one percent (1/2%).

2. Payment of Principal and Interest. Each payment by Borrower to Lender on this Note shall be applied first to fees and/or costs, if any, pursuant to Section 8 hereof and then applied to any accrued interest, and then any remaining portion of the payment after such applications shall be applied to reduction of outstanding principal balance of this Note.

3. Revolving Note. This Note is a "revolving line of credit" note. Principal advances may be made, from time to time, up to the principal amount of this Note, and principal payments may, from time to time, be made by Borrower to reduce the principal balance owing pursuant to this Note. This Note may be prepaid in whole or in part at any time without penalty or premium. In no event shall any principal advance be made after December 31, 1996, and all amounts outstanding will be due and payable at that time.

4. Line of Credit Agreement. This Note is issued pursuant to, is entitled to the benefit of, and is subject to the provisions of the Entertainment Operating Fund Line of Credit Agreement (the "Agreement") between Borrower and Lender dated the same date as this Note.

5. Events of Default. The outstanding principal and accrued interest hereon shall mature and become automatically due and payable, without notice or demand, upon the occurrence and during the continuance without cure of any of the following events of default:

- (a) The failure by Borrower to make a payment of any principal or interest on the Note within ten (10) days after the same becomes due and payable;
- (b) The failure by Borrower to perform any of its obligations, except the payment of principal and

interest, arising under this Note, the Agreement or any other agreement between Borrower and Lender within five (5) days after receipt of written notice of such failure; or

(c) The filing by or against the Borrower of a voluntary or involuntary proceeding seeking liquidation, reorganization or other relief with respect to Borrower or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for Borrower or any substantial part of its property and, in the case of any involuntary proceeding not consented to by Borrower, such proceeding is not dismissed within sixty (60) days of its filing.

6. Remedies. If Borrower is in default under this Note: (a) the outstanding principal and accrued interest under the Note shall mature and become automatically due and payable, without notice or demand; (b) Lender may terminate its commitment to advance monies under this Note; and (c) Lender may exercise any other remedies available to it at law or in equity.

7. Waiver. Borrower, sureties, endorsers, guarantors and any other party now or hereafter liable for the payment of this Note in whole or in part, hereby severally (a) waive presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices, filing of suit and diligence in collecting this Note or enforcing any other security with respect to same, (b) agree to any substitution, subordination, exchange or release of any such security or the release of any parties primarily or secondarily liable hereon, (c) agree that the Lender shall not be required first to institute suit or exhaust its remedies hereon against the Borrower, or other any party liable or to become liable hereon or to enforce its rights against any or all of them or any security with respect to same, and (d) consent to any extension or postponement of time of payment of this Note and to any other indulgence with respect hereto without notice hereof to any of them.

8. Attorneys' Fees. If this Note is not paid at maturity and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy or any other court after maturity, then the Lender shall be entitled to reasonable attorneys' fees and court costs for collection.

9. Limitation of Agreements. All agreements between the Borrower and the Lender, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event, whether by reason of demand or otherwise, shall the amount paid, or agreed to be paid to the Lender for the use, forbearance, or detention of the money to be loaned under this Note or otherwise or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing security or pertaining to the loan evidenced hereby, exceed the maximum amount permissible under applicable law, as now existing or as hereafter amended. If from any circumstances whatsoever fulfillment of any provision hereof or in any of such other documents at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances the Lender shall ever receive interest (or anything which might be deemed interest under applicable law) which would exceed the highest rate of interest allowed by applicable law, such amount which would be excessive interest shall be applied to the reduction of the principal due hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Note, such excess shall be refunded to the Borrower. All sums paid or agreed to be paid to the Lender for the use, forbearance or detention of the indebtedness of the Borrower to the Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest on account of such

indebtedness is uniform, or does not exceed the maximum rate permitted by applicable law as now existing or hereafter amended, throughout the term thereof. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between the Lender and the Borrower.

10. Records. Borrower hereby appoints Lender as the authorized agent of Borrower with full authority to record on the Grid attached hereto as Exhibit A, and incorporated herein by reference for all purposes, the dates of each transaction, amounts of all principal advances, as well as principal and interest payments, made under this Note, and balance due on the Note. This Grid (and all notations made thereto) shall be conclusive evidence of the actual amounts of principal and accrued interest advanced and/or outstanding under this Note.

11. Miscellaneous.

(a) No failure or delay by Lender in exercising any right, power or privilege under this Note or the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof or the exercise of any other right, power or privilege.

(b) The captions used in this Note are for convenience only and shall not be deemed to amplify, modify or limit any provision hereof.

(c) Words of any gender used in this Note shall be construed to include any other gender, and words in the singular shall include the plural and vice versa, unless the context otherwise requires.

(d) This Note shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors and assigns.

(e) This Note, together with the Agreement, contains the entire agreement between the Parties hereto with respect to the subject matter hereof and can be altered, amended or modified only by a written instrument executed by both Parties.

(f) This Note may be executed in multiple copies, each of which shall be deemed an original, and all of such copies shall together constitute one and the same instrument.

(g) Time is of the essence in the performance of each obligation, covenant and condition under this Note.

(h) This Note shall be governed by the laws of the State of Texas.

(i) This Note is performable in Dallas County, Texas.

The term "Prime Rate" as used herein means the higher of (a) the annual rate of interest announced from time to time by the First National Bank of Boston at its head office in Boston, Massachusetts as its "base rate" and (b) the overnight federal funds effective rate as published by the Board of Governors of the Federal Reserve System as in effect from time to time plus one half of one percent (1/2%).

2. Payment of Principal and Interest. Each payment by Borrower to Lender on this Note shall be applied first to fees and/or costs, if any, pursuant to Section 8 hereof and then applied to any accrued interest, and then any remaining portion of the payment after such applications shall be applied to reduction of outstanding principal balance of this Note.

3. Revolving Note. This Note is a "revolving line of credit" note. Principal advances may be made, from time to time, up to the principal amount of this Note, and principal payments may, from time to time, be made by Borrower to reduce the principal balance owing pursuant to this Note. This Note may be prepaid in whole or in part at any time without penalty or premium. In no event shall any principal advance be made after December 31, 1995, and all amounts outstanding will be due and payable at that time.

4. Line of Credit Agreement. This Note is issued pursuant to, is entitled to the benefit of, and is subject to the provisions of the National Media Fund Line of Credit Agreement (the "Agreement") between Borrower and Lender dated the same date as this Note.

5. Events of Default. The outstanding principal and accrued interest hereon shall mature and become automatically due and payable, without notice or demand, upon the occurrence and during the continuance without cure of any of the following events of default:

- (a) The failure by Borrower to make a payment of any principal or interest on the Note within ten (10) days after the same becomes due and payable;
- (b) The failure by Borrower to perform any of its obligations, except the payment of principal and interest, arising under this

Note, the Agreement or any other agreement between Borrower and Lender within five (5) days after receipt of written notice of such failure; or

(c) The filing by or against the Borrower of a voluntary or involuntary proceeding seeking liquidation, reorganization or other relief with respect to Borrower or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for Borrower or any substantial part of its property and, in the case of any involuntary proceeding not consented to by Borrower, such proceeding is not dismissed within sixty (60) days of its filing.

6. Remedies. If Borrower is in default under this Note: (a) the outstanding principal and accrued interest under the Note shall mature and become automatically due and payable, without notice or demand; (b) Lender may terminate its commitment to advance monies under this Note; and (c) Lender may exercise any other remedies available to it at law or in equity.

7. Waiver. Borrower, sureties, endorsers, guarantors and any other party now or hereafter liable for the payment of this Note in whole or in part, hereby severally (a) waive presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices, filing of suit and diligence in collecting this Note or enforcing any other security with respect to same, (b) agree to any substitution, subordination, exchange or release of any such security or the release of any parties primarily or secondarily liable hereon, (c) agree that the Lender shall not be required first to institute suit or exhaust its remedies hereon against the Borrower, or other any party liable or to become liable hereon or to enforce its rights against any or all of them or any security with respect to same, and (d) consent to any extension or postponement of time of payment of this Note and to any other indulgence with respect hereto without notice hereof to any of them.

8. Attorneys' Fees. If this Note is not paid at maturity and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy or any other court after maturity, then the Lender shall be entitled to reasonable attorneys' fees and court costs for collection.

9. Limitation of Agreements. All agreements between the Borrower and the Lender, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event, whether by reason of demand or otherwise, shall the amount paid, or agreed to be paid to the Lender for the use, forbearance, or detention of the money to be loaned under this Note or otherwise or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing security or pertaining to the loan evidenced hereby, exceed the maximum amount permissible under applicable law, as now existing or as hereafter amended. If from any circumstances whatsoever fulfillment of any provision hereof or in any of such other documents at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances the Lender shall ever receive interest (or anything which might be deemed interest under applicable law) which would exceed the highest rate of interest allowed by applicable law, such amount which would be excessive interest shall be applied to the reduction of the principal due hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Note, such excess shall be refunded to the Borrower. All sums paid or agreed to be paid to the Lender for the use, forbearance or detention of the indebtedness of the Borrower to the Lender shall, to the extent

permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest on account of such indebtedness is uniform, or does not exceed the maximum rate permitted by applicable law as now existing or hereafter amended, throughout the term thereof. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between the Lender and the Borrower.

10. Records. Borrower hereby appoints Lender as the authorized agent of Borrower with full authority to record on the Grid attached hereto as Exhibit A, and incorporated herein by reference for all purposes, the dates of each transaction, amounts of all principal advances, as well as principal and interest payments, made under this Note, and balance due on the Note. This Grid (and all notations made thereto) shall be conclusive evidence of the actual amounts of principal and accrued interest advanced and/or outstanding under this Note.

11. Miscellaneous.

(a) No failure or delay by Lender in exercising any right, power or privilege under this Note or the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof or the exercise of any other right, power or privilege.

(b) The captions used in this Note are for convenience only and shall not be deemed to amplify, modify or limit any provision hereof.

(c) Words of any gender used in this Note shall be construed to include any other gender, and words in the singular shall include the plural and vice versa, unless the context otherwise requires.

(d) This Note shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors and assigns.

(e) This Note, together with the Agreement, contains the entire agreement between the Parties hereto with respect to the subject matter hereof and can be altered, amended or modified only by a written instrument executed by both Parties.

(f) This Note may be executed in multiple copies, each of which shall be deemed an original, and all of such copies shall together constitute one and the same instrument.

(g) Time is of the essence in the performance of each obligation, covenant and condition under this Note.

(h) This Note shall be governed by the laws of the State of Texas.

(i) This Note is performable in Dallas County, Texas.
